DR. BAXTER'S CHALYBEATE!

An Iron Tonic for the Blood.

The Imperfect Digestion and Assimilation of Food is the first step in the development of Pulmonary Consumption. This is known to the patient by the nausea and distress felt after meals-which, combined with loss of appetite, failure of strength and flesh, should be enough to cause alarm. In this state of constitutional depravity, no substance can effect so radical a change as Pure Cod Liver Oil, in combination with a Tonic such as is found in Dr. Baxter's Chalybeate. Experience has proved it to be the most effectual treatment yet offered to the consumptive.

The testimony of the ablest physicians of the day is corroborative of the above, and the proprietor would earnestly entreat those who are disposed to Consumption, either acquired or hereditary, to have faith and pursue a course of treatment which has done more for them than any known remedy. Dr. Baxter's Chalybeate is not a specific for Consumption, but in combination with Cod Liver Oil it will do more for them than all the nostrums of the shops.
