That the National Life Insurance Company of the United States of America is the most popular company in this country is evinced by the fact that in the first twenty months of its existence it received about 12,000 APPLICATIONS and issued 10,000 POLICIES, a much larger number than was ever issued at the same period of its existence by any other life Insurance Company in the That it is the most secure company is proven by its Capital of \$1,000,000. That it is

henestly, correctly, and scientifically managed is guaranteed by the character and skill of its owners and managers, who, in addition to their integrity and ability, are influenced by pecuniary interests. Its rates of premium are as low as is consistent with entire safety. Its plan is entirely free from any complications gf notes, interest, &c., or uncertainties and disappointments of dividends, &c. Its contracts are definite, clear, and impossible to be misunderstood or misiepre sented. Its policies contain all of the promises made by the company, and are exceedingly liberal. All the advantages and privileges which can be safely granted to the insured are given by this deservedly popular and strong company.
