anything. Northampton was 15 of 16 lines per lines in length; it lay opposite Woodstock, and its people enjoyed all the privileges that the people of the Town did, and yet Peel is put to hear in the investigation of the committee.

And now, Mr. Editor, the above is not the chart, retired, and John Mahon was before the Board, and Mr. Drier showed from place of Israel Gee, resigned. Joseph Take Simonds, too. Double up that Parish was a member of that committee, did not at- in 1872, and that the taxable valuation of the to be assessed.

Mr. Drier protested against the injustice that Mr. Irvine proposed to do Simonds, the assessment on which had been reduced from Mr. Gallagher said

Mr. Drier proceeded to cite a number of properties had not only been rated far above property in Johnville are moving away. the rate of 1871, but quite up to and above their real value, and still notwithstanding these facts Mr. Irvine proposed still further te increase the taxable value of Simonds.— He then proceeded to refer to certain properties in Wicklow and their valuation, to show the unfairness of the proposed adjustment .valued at \$4,600, while that gentleman would scoff at an offer of that amount for the homestead; Mr. McMullin, who owned valued at \$4,400; the Milberry's on their vast property only \$1800; Hon. Geo. W. While writing on the subject of the Cus-White & Son, personal, \$1400—would any man say that all the personal and real estate of the Whites in Wicklow was only worth \$2.800, and that his own, W. L. Drier's, in

Simonds, was worth \$4,700. The Committee, in June, having the facts before them, justly reduced the valuation of kohama amounted to \$160,000, and there has Simonds. He then referred to Wilmot, pointing out the low valuation of properties there, referring especially to the valuation of Mr. McCready's property and that of Mr. Micado, which took the foreign residents en-King, who, he said, being only rated by the King, who, he said, being only rated by the Assessors at \$500, was ineligible to sit at the Board. He concluded by urging that what-This edict does away with the ancient Japanever the Council did they should do justice

Mr. King said that 13 years ago he came to Wilmot a poor boy; his property was only rated real estate \$500; personal, \$150; that was sufficient to render him elligible for contained thirty days except the 11th month a seat at the Council Board, but whatever he owned, be it much or little, he had gain of counting time in every third year there ed honestly and by his own hard labor.— were thirteen months. This 13th month aphe knew but little about the question under pears to have had a hard time, as there was discussion or the merrits of the scale that there were two 1st months. The Japanese had been adopted, but if he had been a Councillor in June last he would not have voted 3rd months etc., in the same manner as we Brick Building, up stairs to increase the valuation of Wilmot \$50,000 as was done. Even his predecessor, Mr. count the days of the month and, sometimes the valuation of While Count the days of the month and, sometimes the valuation of While Count the days of the month and, sometimes the valuation of While Count the days of the month and, sometimes the valuation of While Count the days of the month and, sometimes the valuation of While Count the days of the month and, sometimes as it was de-Carvell, who signed the report of the committee, afterwards saw the injustice that had been done and moved a reconsideration.—

there were two 12th months as it was decided between the Japanese Government and the clerk of the weather, though I am led to believe that the former had the most to say He was not selfish, but it did seem strange about this unfortunate intercalary month. to him if it was just that Wicklow should only be as essed on \$307,000 while Wilmot be partially observed though no special order paid on \$270,000. Wicklow, as was well has been given as yet in regard to this matter. known, had a vast and productive territory. So Simonds is a wealthy tract of country, and these Parishes have little, if any, waste land, of which in Wilmot there is a great deal.— He thought that if Wicklow was rated a little higher in it, Mr. Irvine's scale was a fairer
