A terrible fight recently occured in San Francisco, between a man named Krager and a clerk in his employ. The former was armed with a razor, and, though the latter had his clothes torn off his back, Krager was finally killed. The peculiarity of this combat was that the two parties were on excellent terms, and the only object of their struggle was to prevent Krager from being injured. In other words, Krager was determined to cut his throat, and his clerk was determined that he should do no such thing. The fight is so different in its character from the fights to which we are accustomed in this city that it is worth noticing. Here, when a man armed with a razor is seen in conflict with NOS. 5s to 10s. another, it is tolerably certain that the latter is about to fall a victim to the emotional insanity of the former, brought about by the refusal of some weman to meet the wishes of spect than any other English or American Warp. the owner of the razor.

Iron in the Blood

The Peruvian Syrup, a Protect ed Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simples food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "athousand ills," simply by Toning up, Invigorating and Vitalizing the System. The en riched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system,

and building up an Iron Constitution. Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERU-VIAN SYRUP blown in the glass. Pamphlets Free.
