DR. BAXTER'S CHALYBEATE!

An Iron Tonic for the Blood.

The Imperfect Digestion and Assimilation of Food is the first step in
the development of Pulmonary Consumption. This is known to the pa-
tient by the nausea and distress felt after meals—which, combined with
loss of appetite, failure of strength and flesh, should be enough to cause
alarm. In this state of constitutional depravity, no substance can effect
so radical a change as *Pure Cod Liver Oil*, in combination with a Tonic
such as is found in Dr. Baxter's Chalybeate. Experience has proved it
to be the most effectual treatment yet offered to the consumptive.
The testimony of the ablest physicians of the day is corroborative of
the above, and the proprietor would earnestly entreat those who are
disposed to Consumption, either acquired or hereditary, to have faith and
pursue a course of treatment which has done more for them than any
known remedy. Dr. Baxter's Chalybeate is not a specific for Consump-
tion, but in combination with *Cod Liver Oil* it will do more for them
than all the nostrums of the shops.
