FOR THE CARLETON SENTINEL. NEW KINCARDINESHIRE.

OUR FIRST SOIREE ON NEW BRUNSWICK SOIL

The object of this meeting was to com- tions \$1.00. mence a fund for the erection of two churches, one in the Stonehaven and the other in the Kintore Township. The meeting was a great The Garleton Sentinel. success and far surpassed the expectations of the most enthusiastic amongst us, parties having come over forty miles to be present with the Scotchmen at their first social gathering. The meeting was presided over by Messrs. Burns and Watt, representatives Brick Building, up stairs. from the different Townships

On the platform were the Hon. John J. Fraser, Mr. Tibbits, M. P., Hon. Mr. Beve- THERE is no season of the year at ridge, and the Rev. Mr. Johnston, who asked which a drive through the country affords the blessing before tea. After tea was serv- so much invigoration to the physical sysed Mr. Burns addressed the meeting in a very humorous and happy style, referring briefly to the great kindness the colonists had expression to the physical system and the mind as that when the leaves are beginning to fall, this always to the great kindness the colonists had expression to the physical system. with since leaving their native country, and cursion in a genuine, clear, sunny one. while passing a high eulogium on Captain And while the lungs drink in pure oxygen Brown in connection with Anchor Line, the and the brain phosphorus, the eye is S. S. Castalia, her officers and crew, he end- feasted with a panorama of loveliness ed his sentence by saying, "From this land of the maple, the cedar and pine, God speed the Castalia of the famed Anchor Line." He panorama of loverness unsurpassed in variety of color and diversity of scenery. On such a day, the present season we took a drive along the also deservedly made mention of the great present season, we took a drive along the kindness of the Government, referring particularly to the services rendered by the Hon. upon the rapidly coming change which B. R. Stevenson; and after giving a short the present appearance of things heraldsketch of the nistory of the colony from their ed, and to look beyond to the colder asarrival, he wound up by calling upon Mr. pect of snow and ice, it was impossible Low to sing a song termed the "Emigrants song," composed by himself for the occasion, and sung to the tune of "When the Kye hill side and valley, all presented in the present glory of mountain, bill side and valley, all presented in the present
