Together with all the CLASSIC EXERCISES and Feats of

THE CIRCUS ARENA!

First appearance in this country of the above named

Four Combined Exhibitions

SUPERBLY EQUIPPED, ORGANIZED, FURNISHED, DISCIPLINED, AND PERFECTED FOR THE SEASON OF 1873.

The attention of the public is called to the fact that there is no

MUSEUM,

(so called) or any of its concommitants, advertised in connection with the Great Central Park Menagerie and Den Stone's Circus. This establishment is known simply as the "legitimate" and only equestrian and zoological institution in America that can afford to stand upon its own merits without having recourse to fictitious titles or other deceptive devices to bring it into notice.

THE GREAT MENAGERIE

contains all the attainable animated Wonders of the known world, having any especial interest to the public. Those who are at all conversant with the Zoological collection known as the

CENTRAL PARK MENAGERIE

will concede it to be the largest and best ever selected for exhibition on this continent. The following list comprises the names of some of the most prominent in this collection:

The Great African Eland,
Great African Potoquaine,
Horned Horse, or Wonderful Gnu,
The novel and finely formed

African Harte-Beeste,

A beautiful and graceful
Cazembian Bless Bock.
The Red Stag of India,
the only one in America.
A Tremendous Black Tiger.
Two Magnificent Bengal Tigers.

Did space permit we might mention an incredible number of other rare and curious animals just brought to this country.

THE CIRCUS ENCAMPMENT

comprises Five Colossal Tents of Exhibition covering an immense area of ground. The Pavilions will accommodate 10,000 spectators. The whole interior is well ventilated and at night brilliantly illuminated throughout.

First in rank and in the order of attraction is

MADAME DeBERG,

(late of the N. Y. 14th Street Circus.) This lady is everywhere pronounced to be one of the most agile, graceful and intrepid equestrienne that ever appeared before the public—here or elsewhere. Her brilliant achievements upon her horse, her splendid style and undaunted confidence, have commanded the undivided admiration of all having a proper appreciation of the beauties of noble horsemanship.

JAMES E. COOK,

the first reinsman in Europe or America, will exhibit his equestrian talent in riding a Troop of Six Horses in a continuation of rapid changes, driving at full speed around and across the arena in a most artistic manner. Mr. Cook is likewise known as

THE CHAMPION LEAPER

and Graphic Scene Rider! He also rides a beautiful Double Act of Horsemanship with Mme. DeBerg.

Sensational Act of Lady Equitation,

WITHOUT SADDLE OR BRIDLE!

M'LLE CORDELIA.

This young, beautiful and popular artiste, will perform her incomparable series of brilliant feats upon an unsaddled steed, finishing with her great sensational triumph, known as

THE FLIGHT OF EURYDICE.

M'LLE CORDELIA has no superior in Bareback equestrianism.

The following distinguished Equestrians, Gymnasts and Acrobats, will appear in the course of the Circus performances, viz:—

The ring exercises will begin with a magnificent

EQUES-ZOOLOGICAL PAGEANT

and glittering Tournament, in which all the ladies and gentlemen of the company will appear in gorgeous costume, and mounted upon thoroughbred horses, preceded by Zeim's Band on foot, followed by a PROCESSION of the RAREST ANIMALS, Elephants, Camels, &c., and the

TROUPE OF IROQUOIS INDIANS

in their Aboriginal costumes, all of whom will take part in a grand Hippodramatic Prologue.

INDIANS! INDIANS!

HO!

Iroquois Warrior, Ka-Ke-Wa-Ma!

Being the only real Indian Circus Rider ever seen. Near the close of the entertainments in the ring will be introduced a new and original

INDIAN PANTOMIME

ENTITLED THE

CAMMANCHE'S ESCAPE FROM THE SEMINOLES.

Full of historic interest and presented with the finest dramatic effects, appropriate music, costumes, war-implements, &c.

THE GRAND

Street Procession

presents one of the most magnificent sights ever witnessed, and is worth traveling many miles to see, as it presents features novel and unique to be seen in no other establishment. The gorgeous display of glittering splendor will be preceded by the

Great Golden Chariot of Orpheus!

drawn by Twelve English horses, magnificently caparisoned, and containing Zeim's Solo Band, discoursing beautiful music, followed by Asiatic Elephants, Camels, Dromedaries, The long array of Deers, &c., &c., decorated with paintings, giddings, banners, plumes, &c.

The Troupe of Iroquois

in their war dresses, armed with spears, bows and arrows, and all the gay paraphernalia of the tribe, will appear mounted upon their native horses, accompanied by the entire cortege of horses, ponies and led animals, together with the long array of Wagons, vans, &c.

Doors open at One and Seven P. M.

Ring Performances will not commence until one hour after the opening of the doors, in order to give the audience an opportunity of examining the wild animals in the Menagerie and hear the interesting Lecture by Mr. B. Lingham, describing the habits and peculiarities of the various subjects. The Menagerie is exhibited in an entire separate and distinct tent from the Circus—one ticket entitling the holder to see both, at his option.
