April 12, 1872.-1y-41 Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The en-riched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for

disease to feed upon. This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or ac-companied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Con-

stitution. Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERU-VIAN SYRUP blown in the glass. Pamphlets Free. J. P. DINSMORE, Proprietor, No. 36 Dey St., New York.
