MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The en-riched and vitalized blood per-meates every part of the body, repairing damages and waste, searching out morbid secre-tions, and leaving nothing for

disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Where you can get the BEST of GOODS made up to order in Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or ac-companied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Con-

stitution. Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and itate to give it a trial.

That the National Life Insurance Company of the United States of America is the most popular company in this country is evinced by the fact that in the first twenty months of its existence it received about 12,000 APPLICATIONS and issued 10,000 POLICIES, a much larger number than was ever issued at the same period of its existence by any other life Insurance Company in the

That it is the most secure company is proven by its Capital of \$1,000,000. That it is honestly, correctly, and scientifically managed is guaranteed by the character and skill of its owners and managers, who, in addition to their integrity and ability, are influenced by pecuniary interests. Its rates of premium are as low as is consistent with entire safety. Its plan is entirely free from any complications gf notes, interest, &c., or uncertainties and disappointments of dividends, &c. Its contracts are definite, clear, and impossible to be misunderstood or misrepresented. Its policies contain all of the promises made by the company, and are exceedingly liberal. All the advantages and privileges which can be safely granted to the insured are given by

this deservedly popular and strong company.
