A purely Mutual Company! No Stockholders to grow rich at the expense of the Insured.

Not a Mushroom Company! It has been in successful operation to the satisfaction of its members for 24 years.

Not Struggling for Existence! Its strength and inability guaranteed by its accumulation of Assets to the amount of Seven Million Dollars.

Not attempting to cover up a present inability to pay dividends by proposing to its members to wait a term of years before they receive pay.

Not suggesting to one half of its members the feasibility of profiting by the misfortunes of the other half.

But a well-tried, sound, conservative Company, economically managed; conducting its operations upon principles that have been proved and ratified by years of experience; issuing Policies so clear and precise that he who runs may read; Insuring at low rates, with absolutely non-forfeitable policies; paying its losses promptly and returning every dollar of surplus premium to its members.

DR. BAXTER'S CHALYBEATE!

—o—

An Iron Tonic for the Blood.

—o—

The Imperfect Digestion and Assimilation of Food is the first step in the development of Pulmonary Consumption. This is known to the patient by the nausea and distress felt after meals—which, combined with loss of appetite, failure of strength and flesh, should be enough to cause alarm. In this state of constitutional depravity, no substance can effect so radical a change as *Pure Cod Liver Oil*, in combination with a Tonic such as is found in Dr. Baxter's Chalybeate. Experience has proved it to be the most effectual treatment yet offered to the consumptive.

The testimony of the ablest physicians of the day is corroborative of the above, and the proprietor would earnestly entreat those who are disposed to Consumption, either acquired or hereditary, to have faith and pursue a course of treatment which has done more for them than any known remedy. Dr. Baxter's Chalybeate *is not a specific for Consumption*, but in combination with *Cod Liver Oil* it will do more for them than all the nostrums of the shops.
