Comparing ourselves with others; our ment meets the whole question will be we may well feel thankful that God has stood. given us to inhabit so broad, so fair, so blessed an inheritance.

The Freeman says :-

"Mr. Sharp is determined that the Senti nel shall not uncontradicted misrepresent the opinions of the people of Carleton County."

Then after quoting Mr. Sharp's pecucourse the Freeman does not quote the other man was in company of deceased SENTINEL. What nonsense for the at the time. Hood was from Stanley, Freeman to endorse the sentiment "Lib- York Co., where his father resides, and erty, Equality, Fraternity," when he family lived in Fredericton. Hood is strives to stop the operation of a law said to have been a fine young man, much that places all children in a position of respected. He leaves a wife and child respected. He leaves a wife and child. Equality and Fraternity. The Freeman The verdirt rendered was in accordance with above facts.

"The Sentinel asks us if the Catholics would be satisfied with the concessions proposed by Mr. Irvine. With the spirit of often and so long resisted the efforts these concessions, if so they may be called, Catholics we believe would be satisfied.—

Mr. Irvine makes a mistake in proposing to litical life, has at last done so by acceptconfine his concessions to towns or districts ing a seat in the Senate of the Dominion of two thousand inhabitants. His idea, no Than Mr. Brown there are few abler or doubt, is that in many districts separate more experienced politicians in the coun schools could not be maintained, and this no try, and it has been a source of regret to one questions. In such districts the schools all parties that he had not come to Parattended by all should be conducted on prin- liament on the inauguration of confederaciples just and satisfactory to all."

And, we may add, the conscientious scruples against godless schools should be violated in certain cases.

Those who decide from the Freeman's scissorings or statements that we have misrepresented either Mr. Irvine or the people of this County, will learn the cedents, whether he would long remain daily run on 1. D. Landay run

But now as the Freeman has, in a way, answered our question, we give the following official dosuments which are in Senate. point here; they show what the Roman Catholics want and how the Executive met the demand. Comment is not ne-
