THE SUN.

WEEKLY, SEMI-WEEKLY AND DAILY. THE WEEKLY SUN is too widely known to require any extended recommendation; but the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more, are briefly as follows: It is a first- ate newspaper. All the news of the day will be found in it, condensed when unimportant, at full lenoth when of moment, and always presented in a clear, intelligible, and interesting manner. It is a first rate family paper, full of enter-aining and instructive reading of overy kind,

but containing nothing that can offend the most delicate and scrupulous taste. It is a first-rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages. It is a first-rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department. It is an independent political paper, belonging to no party and wearing no collar. It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weak-6 00 en and disgrace our country, and threaten to indermine republican institutions altogether .-It has no fear of knaves, and asks no favors from

It reports the fashions for the ladies and the markets for the men, especially the cattle mark- in the Town of Woodstock, County of Carleton, ets, to which it pays particular attention. Finally, it is the cheapest paper published.— One dollar a year will secure it for any subscrib. er. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper We have no travelling agents.

THE WEEKLY SUN .- Eight pages, fifty-six columns. Only \$1.00 a pear. No discounts from this rate. THE SEMI-WEEKLY SUN .- Same size as the daily Sun. \$2,00 a year. A discount of 20 per cent, to clubs of 10 or over. per cent. Address,
