A DENIAL. Mr. Editor,-Having had an interest in the "Milberry Nursery" of Carleton County, for the last few years, I have been engaged at times taking orders for his apple trees; and, to my surprise, I have been informed by several reliable persons that parties interested in the sale of Messrs. Sharp & Shea's apple trees have stated publicly that I have taken orders for Sharp & Shea's trees, that I have represented myself as their agents, and that I have purposely deceived those who had taken orders, through me, for the Milberry trees, &c. You will allow me, through your journal, to give these slanders an unqualified

I at no time or place represented myself as Sharp & Shea's agent, nor ever attempted to mislead the public, in any way, in regard to it. And I further affirm that the persons making these statements have had ample proof for knowing them to be deliberate

statements are reliable, I will give an extract the victory was theirs. His was not a from my card, which was not only posted up sectional triumph, but his support had in several public places in the County, but was handed to almost every man with whom I conversed on the subject, it reads thus:

" Grafted Fruit Trees. From the 'Milberry Nursery,' 28 miles do it. above Woodstock, in Wicklow, Carleton Co. Among which are the chief varieties of the SHARP Fruit."
