To the Electors of Carleton County CENTLEMEN,—At the solicitation of a large number of the Electors, I have consented to become a Candidate for a seat to serve you in the Local Legislature at the coming General Election, and should you honor me with your support and confidence I shall legislate honestly and independently for all to the best of my ability. I am in principle a Free Non-sectarian School man, and be-

lieve that the property of the country should educate the children, and that it is the only principle that insures an education te the poor man's child.—
I shall support the present School Law; I believe that the Law requires some amendments in its general detail. I shall support all measures of reform and progress that will assist in building up our fine County and Province.

On the hustings I shall make known my views on other subjects pertaining to a legislator. I shall visit as many of you as possible before election. If you place your confidence in me I shall never betray

I am, Gentlemen, Your obedient servant, JOHN S. LEIGHTON. Woodstock, April 29, 1874. To the Electors of Carleton County ENTLEMEN,-At the ensuing election for the Local Assembly I will be a candidate for your suffrages, and respectfully solicit your support.
On the question that is now agitating the whole Province, I may say that I am at present, as I always have been, an advocate of non-Sectarian Free

Schools, supported in part by direct taxation.

I am opposed to disturbing the 60th section of the Common Schools Act of 1871, or in any way departing from the principles therein involved, be-lieving as I do that while the Law in this respect confers no special privilegss on any class, it secures equal rights to all. The foregoing I consider the vital principles of the Law, on which public judgment will, in a short time, be pronounced.

There are other subjects of importance which will arise for consideration and should you favor me with your confidence, I shall endeavor in discharging my duty to act in the fullest sense for

the public good. Yours, respectfully, G. W. WHITE. Carleton County, May 1874.
