Not long since, I had the pleasure of trying some of the Instruments manufactured by W.

Bell & Co., of Guelph, Ontario, for whem Mr.

W. L. Alterton is Agent in Woodstock, and for sweetness and brilliancy of tone I consider them quite unsurpassed—and should strongly recemmend those who intend purchasing an Organ to obtain if possible one of the above manufacture, as they are not only unquestionably better but, in addition, are much cheaper than the Instruments manufactured in the United States.

H. W. BOURNE,

Organist St. Luke's Church, Woodstock. by paying \$1.
All entrys for the exhibition or show must be made with the Secretary before the 3rd day of October next,

The Managing Committee will be ready to receive articles for exhibition on the day preceding show. All exhibitors living within 6 miles of Woodstock must bring in their Grains, Seeds and Roots, on the day preceding the show. No article will be received for exhibition after 10 o'clock, a. m., on show day.

Exhibitors, members of the Society, and Judges will be admitted to all parts of the Show free.

Organ" which I bought of you some eighteen months ago, has proved jnst as good, and even better, than you represented. A large number of people call at my house daily, and the "Bell Organ" invariably clicits words of praise from all. Judging by the size, finish and fine, rich tone of the Instrument they declare it to be remarkably cheap. Yours respectfully.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use Lazarus, Morris & Co.'s Celebrated of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BIT- | sricton. TERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle,

a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is beir to.
