## Rheumatic Cure!

In its history, this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and always sought for hy them whenever troubled with Rheumatism, RAL IN COUNCIL. and in this way came to the notice of physicians generally, and through their favorable expression and its acknowledged value as a Kheumatic ping Act 1854" and the Acts amending the same, Remedy, the demand for it became so frequent and urgent as to oblige its proprietors to increase their facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of enquiry, letters of thanks, and certificates of capacitation and classification thereof."

His Excellency the Governor General, by and with the advice of the Queen's Privy Council for Capacita has been already and the Acts amending the same, and of the Act passeed in the 36th year of Her Majesty's Reign, intituled: "An Act relating to Shipping, and for the "registration, inspection and classification thereof."

Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. of Shipping thereat, under the provisions of the In this we are really grateful and happy, not alone because our medicine finds ready sale, and is consequently profitable to us, do we say this, but because we open a new field in medical science, and cure at once what the best medical practitioners have for ages found so difficult even to relieve. We fill a place heretofore unoccu pied. We relieve the suffering and minister to God's poor; we restore the labouring man to the use of his injured limbs, and save him scores of times its cost in doctor's bills; we carry contentment and gladness into the home of the afflicted, and consequently are remembered by millions of

The proprietor of this medicine has walked the aisles of the hospitals of London, Eng., for the past twenty years, making Rheumatism a specialty, and the prescription from which this remedy is compounded is all he ever used in the treatment of this disease.
