duction of a Carleton County M.P.P. Some think that his object is to furnish the teachers of our "free" schools with some examples of bad English, to serve as grammatical exercises for the pupils; but to me his motive is clear enough. He wishes to create a prejudice against the Catholics, by representing | Brick Building, up stairs. them as seeking to acquire what he calls

of Simonds, this modern Socrates. From the doleful tone of his epistle I should say "God speed it."

think he has at last discovered his forte; the has at last discovere and the has at last discovered his fo paign in this Province.

Yours, truly, ANTI-HUMBUG.

FOR THE CARLETON SENTINEL. UTOPIANISM.

UTOPIANISM.

DEAR SIR,—There is a wonderful letter from a very sharp writer in one of your Starp writer in one of your Starp which I think will generate a new feeling in the community, and for which a new term is requisite; hence the heading of new term is reason to suppose that the system the term that the near term that the discretize of the near term that the near term that the near term that the discretize of the near term that the near term that the near translation of the provincial reversities, and sent the near term the near term that the near t TINELS, which I think will generate a new feeling in the community, which I think will generate a new feeling in the community, and for which a new terms in equisite; hence the heading of the person of the nearous of the person of the condicated on the armicolated in the armoration. The socialiste bold much the same ideas that are emblodies that are the person of the consideration.

A resolution having been passed by the lower of the interest in the lower of the covernor demonstrated that the person of the sate of the covernor demonstrated that the person of the nearous of the person and perfect in process of the two counts to be published. His is proton of the assessment remaining unscending the consideration.

A resolution having been passed by the lower of the two bodies named to strike a bloud be made to stri principle to give way to them—for what country, where they have had the predominence, has not been ruined by them? Poor Spain has been eaten up by them until nothing but the stump is left, and even that they wish to demolish. All the christian countries that have flung her off, have prospered from the time of her exit in a most marvellous and there are the countries and the countries that have flung her off, have prospered from the time of her exit in a most marvellous and the countries are the countries to unconstitutional dictatorship, and in this Catholics to a considerable extent will join with Protestants.

These thoughts suggested themselves by reading Mr. Sharp's platform.

We do not, nor do we wish to, with-Let her fume and fret as much as she likes. are not of one mind as relates to it. It would be the height of folly to let her gov- Nor do we wish Mr. Sharp to give up Amt. rece Then I must remind them that this is a Pro- immigration.

more of Sparta and the Lacedemonians. It this County. Mr. Sharp stated seems to me to depart from that fine national feeling which is most prominent and healthy in christian communities; but as a weatherspringing the enemy by its touch. Yours, truly,
