CHARLES R. WARNER. Young Ladies Beware of the injurious effect of Face Powders. All such remedies close up the pores of the skin, and in a short time destroy the complexion. If you would have a fresh, healthful and youthful appearance use Wilson's Tonic and Sarsaparillian Elixir. Those who desire brillians of complexion and sarsaparillian elixir. Woodstock, Nov. 10, 1874—3m 46 sire brilliancy of complexion must purify and en-rich the blood, which this Elixir invariably does. It cleanses and renovates the blood and instils the vigor of health into the system, and purges out humours that make disease. Not a few of department, and consists of, in part, the worst disorders that afflict mankind, arise from the corruption of the blood. Use this Elixir in the spring and summer months, then the system naturally undergoes a change and you will find it an assistant of the highest value. Wilson's Tonic and Sarsaparillian Elixir is the Great French Merinos.

J. C. CHAMBERLAIN, Esq.,—Sir: This is to certify that my wife was very low with Lung Disease. The Doctor had given her up. He said her lungs were tubercled, and medicine could not help her. As a last resort, I purchased a bottle of the Great Shoshonees Remedy. At the expiration of two days, her symptoms were decidedly better. She continued to improve so rapidly that by the time she had taken one bottle she was able to sit up. By the continuance of the remedy she was perfectly restored to health.
