SHERIFF'S SALE.

May next, between the hours of 12 o'clock,

We solicit a liberal share of Patronage. Woodstock, April 29, 1874. Ayer's Cathartic Pills, cure of all derangeach, liver, and bowels. They are a mild

liament for Private Bills, either for granting exclusive privilege., or conferring corporate powers and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. Thus incipient disease

stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or the search of the senate.

House.

All Petitions for Private Bills must be presented within the first three weeks of the Session.

The Fee now payable for a Private Bill is Two Hundred Dollars.

ROBERT LEMOINE, Clerk of the Senate. Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure:-For Dyspepsia or Indigestion, Listlessness, Languor and Loss of Appetite, they ach, and restore its healthy tone and action. For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the all that certain piece or parcel of land lying and

diseased action or remove the obstructions which being in the Parish of Brighton, County of Carle- New York, complaints disappear.

For IDropsy and IDropsical Swellings they should be taken in large and frequent dose to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by symmetric purchase. As a Dinner Pill, take one or two Pills t promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where

BARTHOLEME W LYNCH,

Organist of St. Gertrude's Church Woodstock, May 8th, 1874. Not long since, I had the pleasure of trying some of the Instruments manufactured by W. Bell & Co., of Guelph, Ontario, for whem Mr. W. L. Alterton is Agent in Woodstock, and for sweetness and brilliancy of tone I consider them quite unsurpassed—and should strongly recemmend those who intend purchasing an Organ to obtain if possible one of the above manufacture, as they are not only unquestionably better but, in addition, are much cheaper than the Instruments manufactured in the United States.
