E. D. WATTS. St. John, April 22, 1874.

J. C. CHAMBERLAIN, Esq.—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of Northumberland for about a year without receiving any benefit. In fact I continued getting worse all the time. At last I was advised to try the Great Shoshonees Remedy. I bought a bottle and took it, and when it was about finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness, and have been so ever since.

Yet who would wish to call her back To this vile world of sin below; Where pleasures all are intermixed With grief and sorrow, pain and woe.

Oh! could her spirit speak to thee,
'Twould surely tell thee not to mourn;
For she is from all troubles free, And would not back to earth return.
