SATURDAY, MARCH 7, 1874.

SENTINEL OFFICE, in Allan's Brick Building, up stairs

"A VOTER" last week presented his other churches of that place. United States, and therefore presumably to ideas about a Bridge over the River .-Being assured that such is the fact, I felt lost sight of; its importance should deemboldened to challenge all comers, knowing well, that after all that could possibly be said, this great fact would remain, and be found of more force in the settlement of this question, than all the groundless fears and Then it was a matter between the people imaginings of the opponents of liberty, and of the County and the Provincial Government. Now we have the Dominion And now, Mr. Editor, you have saved half Government, whose jurisdiction embraces

is all I claim-give my Catholic friends what ened. That we have claims upon the they enjoy in Ontario, and I shall ask no local Government none can deny-claims arising out of our local requirements as There the Government do not say that well as out of the comparative neglect the affairs of the Catholic Schools "may be properly left to the (Protestant) trustees!"
No, sir, no such terribly oppressive sentiment can find expression by the statesmen of Ontario. They say the Catholic schools ed in the settlement and welfare of the may be properly left to the management of Catholic Trustes! And so say I.

Admitting the opinion of Professor Smith to be correct, and before the great fact of the superiority of the Ontario schools, all the cobwebs, and dust that have been sought to be imposed upon the people of New Bruns. be imposed upon the people of New Brunswick, must flee away as dew before the sun. Three great parties interested might, at Where can we find grounds for fears of that a small expenditure on the part of each, which has been so thoroughly tried and found harmless? It is not in the mouth of any man to say, that if you grant the Catholics the right to set up a separate school wherever they see fit, that all or even many of the smaller districts will be divided. The answer is at hand and conclusive-your fears must be brought to bear and the river are unreasonable and groundless, this effect will be bridged.

THERE is quite a war between conflict It is not in the mouth of any sound mind- ing interests going on at Fredericton ed person to say give Catholics this right and over a bill to amend the act incorporatthe various sects of Protestants will step in and still further divide up the districts; the ous to secure a direct and unbroken

ants have their senses. Where must all unless the Company are allowed to rethose terrible evils, that have been prophesied tain the booming privilege the saw mills and imagined to follow if those concessions burned here a year ago will not be rewhich we claim, are granted here, when they have found no existence in Ontario, that greatest, wealthiest and most intelligent of all the provinces, whose statesmen are giants, and those who wield the power of the press upon pretty conclusive showing, that the Boom will not interfere by any means. If these concessions are so extremely dan- to the extent stated, with lumber coming
