Brick Building, up stairs

which our contemporary rightly, we think, regards as important, and one that must force itself upon general consideration before long. It is the making the exertion before long. It is the making the exertion before long. It is difficult for contaiders fairly to cise of the franchise compulsory. It has general government of the whole Province long been a favorite theme with publicists or in any parish or school. Now, when all judge the merits of the troubles at the of advanced views the extension of the this machinery for working the Act relating South, so opposite are the expressed Honor Judge Allen presiding. The legal tence and judgment of the Court at the next interest on this side of the Atlantic. It has which were false, and came off in the farmfranchise, and these views have so far obtained as that in this Dominion we obtained as that in the fact of the Court for Victoria County. E.

Interest on this side of the Atlantic. It has been and judgment of the Court for Victoria County. E. Come out at the dead season of the year, where the court at the legal views of the United States papers. The judgment of the Court for Victoria County. E. Come out at the dead season of the year, which is obtained as the United States papers. The judgment of the Court at the will have a thin the legal views of the United States papers. The judgment of the Court at the will have a thin the legal views of the United States papers. The judgment of the Court at the legal views of the United States papers. The judgment of the Court at the legal views of the United States papers. obtained as that in this Dominion we have reached nearly as far in the direction of the determination of the large striking proof of the determination of the Legislature to avoid the very thing which it is contended the Act authorises by restricttion of universal suffrage as may be gone with safety. But while such liberality make rules and negotiations in this respect, the same time one that, however it may the same time one that the same time of the same time one has marked the legislation of late years, and expressly excluding from the school lib- presently terminate, suggests troubles the fact is too apparent that in most elec-

the fact is too apparent that in most elec-tions scarcely a majority of those who have the legal right to vote exercise it.— It is probable that nearly as much injury is done by the electors who refuse to vote as by the agencies that are used to prevent elections. This difficulty is, perhaps, more prominent in local than in general elections, but the result is the same in degree. Those who do not, as a sort of the schools. To secure to every man, a just man, and the child of every man, a just man, and the child of every man, a just man, and the regard to his religious faith, it enacted in effect that the great leading principles of Christianity should be inculcated in the schools, but there should not be in the library a book upon controversial theology, or, in other words, with denominational in the days of the Communists, nor is the same in degree. Those who do not, as a rule, vote, are usually the best informed reaching." library a book upon controversial theology, in the days of the Communists, nor is the teaching."

intelligence, and men whose example law by Mr. Justice Fisher.

Would have weight with others. But as law by Mr. Justice Fisher.

It has been contended on the part of the property, our rights nor our lives—if a conwould have weight with others. But as they fail by precept and example to lead, the elections are left in the hands of those whose judgment are in too many instances controlled by circumstances, with the natural result of returning men to posinatural result of returning men to positions of trust and responsibility not the best fitted for their occupancy. If the best fitted for their occupancy. If the best fitted for their occupancy. If the best fitted for their occupancy is all orders to the school; but where the whole inhabitants of a district, or the school; but where the whole inhabitants of a district, or the school; but where the whole inhabitants of a district, or thinking of when they pretend that because the Roman Catholic faith, or belonged to a productive the matter is all orders.

He also referred to the Attachment Law thinking of when they pretend that because they have been at first successful in their into force, and their natural results. law clothes a man with the right to vote. Protestant sect, then they could so work the audacity, the matter is all ended and peace it invests him with a solemn and important trust in the discharge of which portant trust, in the discharge of which that is to say, if all the children are Roman its perpetrators dealt with as their guilt denot his own alone but the interests of Catholics, Roman Catholic teaching would mands. All the available power of the army the community are involved, and there be found in that school; but the fact that and navy, it will be seen, is to be concenis no good reason why that right and trust shall be claimed or enjoyed if their corresponding responsibilities are not corresponding responsibilities are not corresponding responsibilities. This is constant that school; but the fact that trated in the rebellious district, the President declaring, it is said, that he will take the field in person, if it is necessary. This is iffs; Fisher & Jones for defendant. discharged. The Free Press says:—

The records of voting in the elections show that on an average not more than three-fourths of the qualified voters exercise the development of the qualified voters exercise the development of the properties of the nation a development of the properties of the nation and the properties of the nation a development of the properties of the nation a development of the properties of the nation and the nation and the properties of the nation and the nat

neglect of this duty is probably owing to the harmonious working of our excellent system Pittsburg, U.S., on Saturday morning last, gence, recources and industries of our of government, and to the confidence which in a five mile boat race on the Kennebec- County. the people place in the institutions of the country; but it should be remembered that the price of liberty is eternal vigilance, and if a jealous and careful supervision of the boat race depends, of course, upon the boat race depends. A boat race depends, of course, upon the contingency of course, upon the country. conduct of public men is not exercised, when contingency of good weather, and it is &c., make this the most creditable Show Parliament is from time to time placed upon its trial before the supreme fountain head of thousand people to travel miles to witgovernment, it may be expected that abuses ness a race that don't come off as apwill creep in and public men become callous and indifferent to a public opinion which they know is negligent of their conduct. The great blessing of thorough self-government Friday last, the day on which the boat abroad as to the probability of being able is one which is perhaps not thoroughly ap- race was advertised. Our St. John con- to purchase improved stock at the Exhipreciated by those who have never known temporaries, all of them, we believe, reany other condition of their institutions; but history teaches us what long and arduous la-drinking on this occasion. cute with fine effect the pieces from the best to confine themselves as lying at the root of wholesale distribution of cheap books and composers marked for his performance.

To the lovers of music and all others, we which existed in New Brunswick under the would say. Come and determine by your Public Schools Act which existed there here would say, Come and determine by your presence to give eclat to the first Musical for the new Act were denominational Schools While Mr. Needham has been for home of the order. Some learned priest would say, Come and determine by your public Schools Act which existed there be rented in London, to serve as the station or home of the order. Some learned priest while Mr. Needham has been for have a full view of the audience. I think the Council would find it impossible to express their views on the subject in making, and a third to teach the art of decuits, he has likewise served the public any better or more forcible language than livering the sermon effectively, and of course extempore. It would be necessary for the where he at one time represented the City MR. EDITOR,—I notice in last Sentinel Justice Fisher, which is probably the more house to have a head, and one of the priests where he at one time represented the City a short paragraph stating, "It was Captain Donnell, not, as stated last week, Surgeon Lice Fisher personally expressed served as the County prescribes the dress to be worn:—"The habit of York. Donnell, not, as stated last week, Surgeon Smith, who paid off the men of the W. F. Battery." Now, although it does not interest the public at large who paid off the men of said Battery, yet I do not see why the of said Battery, yet I do not see why the Sentinel should state the truth in the first place and then contradict it the next week, and make it appear false. It is very evident and make it appear false. It is very evident to gather, Mr. Justice Fisher personally expressed some doubts as to the policy of the new system. Mr. Justice Fisher personally expressed some doubts as to the policy of the new system. Mr. Justice Fisher personally expressed some doubts as to the policy of the new system. Mr. Justice Fisher personally expressed some doubts as to the policy of the new system. Mr. Justice Fisher personally expressed some doubts as to the policy of the new system. Mr. Justice Fisher's language, after giving some other description of the old School Act, is: "It provided for a School Library in each district, by a money grant in aid of the amount raised in the locality for that puration and make it appear false. It is very evident to prescribe the dress to be worn:—"The habit down in the local through the past year or two, manifested themselves through repeated attacks of the disease that finally ended his life, so that the disease that finally ended his life, so that his friends will be less astonished at the awful suddenness of the event than the first provided for books under the cross embroidered on the left side of the break the dess to be worn:—"The habit down in the local through the past year or two, manifested themselves through repeated attacks of the during the past year or two, manifested themselves through repeated attacks of the during the past year or two, manifested themselves through repeated attacks of the during the past year or two, manifested themselves through repeated attacks of the during the past year or two, manifested themselves through repeated attacks of the during the past yea and make it appear false. It is very evident the locality for that purpose, and placed the selection of books under the Sentinel must have been informed of the control of the Board of Education, but this correction, else it would not have appeared. Now I will say, for the information pose, and placed the selection of books under the control of the Board of Education, but object should be to attract, not to repel, those expressly excluded works of a licentious, vipose, and placed the selection of books under the control of the Board of Education, but object should be to attract, not to repel, those expressly excluded works of a licentious, vipose, and placed the selection of books under the control of the Board of Education, but object should be to attract, not to repel, those chum, Esq., Coroner, and a verdict that peared. Now I will say, for the information of all concerned, that it was Surgeon Smith who paid evey dollar the men received for the twelve days drill, and not Capt. Donnell. This is the only part of the law the twelve days drill, and not Capt. Donnell. In which anything of a denominational characteristic and the work in which anything of a denominational characteristic and the work in which anything of a denominational characteristic and the work in which anything of a denominational characteristic and the work in which anything of a denominational characteristic and the work in which anything of a denominational characteristic and the work in which anything of a denominational characteristic and the work in which anything of a denominational characteristic and the work in which anything of a denominational characteristic and the work in which anything of a denomination of the law that it was Surgeon Smith the work in which anything of a denominational characteristic and the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which anything of a denomination of the law that it was surgeon Smith the work in which a which is a denomination of the law that it was surgeon Smith the work in which a which is a denomination of the law that it was surgeon the work is any man belonging to the Battery, who is developed the body. This is the only part of the law the work:—"As soon as the brothers are sufficiently trained to go out, let each, equipped with a knapsed containing a change of linen acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows acter is referred to in any way, and it shows in any decominational character is referred to in any way, and it shows acter is referred to in any way, and it shows in the Legislature was in quarting the tentange of the deceased gentleman were acter. It was alleged on the part of the law the work:—"As soon as the brother acter is referred to in which anything of a denominational character is referred to in which anything of a denominational character is referred to in which anything of a denominational character is referred to in any way, and it shows in character is referred to in the last three months in the last three and for its correction. The truth is, we presume, that Capt. Donnell was the official paymaster, and whatever Surgeon Smith did was performed as the Captain's Clerk.—

The donnell was the official paymaster, and whatever Surgeon Smith did was performed as the Captain's Clerk.—

The public house. This done, he must that done, he must that done, he must that done the place and having selected a place for the meeting, he must take up his stand; if he has selected a suitable time and chinery of the Act is designed to make the place, a crowd will soon collect, and then place for the place and grass, was well attended and fully enjoyed.

The public meeting in the evening of the Defendant it was shown. chinery of the Act is designed to make the schools common to the children of every man, irrespective of his religious opinions. The Act recognizes the agreement of the should give out some well known hymn, tants of any locality with a teacher licensed.

The whole mand and fully enjoyed.

Stand; if he has selected a suitable time and place, was in fact £30,808,071, and fully enjoyed.
