Palmer's Patent Jacqueline Corset.

DRESS MAKERS recommend it as being the best CORSET to fit a Dress over, because it is cut in such a manner that the front and back seams lie like waists.
It is superior to any other Corset now in use, because its peculiar style of cutting gives sufficient fullness at the loom, without adding at the top; gradually and closely fitting to, and over the hips; is longer at the back than ordinary Corsets; and, in fact, is the
ONLY CORSET CUT IN THIS FORM.

A Man of a Thousand
When death was hourly expected from CONSUMPTION, all remedies having failed and Dr. H. JAMES was experimenting, he accidentally made preparation of **INDIAN REMEDY**, which cured his only child, and now gives this recipe for the relief of two stages to pay expenses.
