Quacks Confounded!

Rheumatism and Gout have heretofore been considered by the ordinary practising physicians as incurable diseases, and the querry has often been propounded, of what benefit to the helpless sufferer is all their pretended science; and what doth it avail—their long and tedious course of study—if they are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of investigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well worn paths, or suffer disgrace and excommunication from that highly respectable order of mortals known as the *Medical Faculty*. How often genius has been curbed in its fliguts of investigation can easily be imagined. And often really grand and beneficial discoveries have been placed under the ban of censure by those self-constituted censors, for no reasons whatever, but that they are innovations upon a stereotyped and time honored prescription. It was not so, however, with the proprietor of the

DIAMOND RHEUMATIC CURE,

for his high standing in the profession, and the learning and science of an able mind, quickly compelled the CENSOR to succumb, and now physicians generally all over the world, where this medicine is introduced, admit of its wonderful efficacy, and often prescribe it for their patients. Of course, the use of the Diamond Rheumatic Cure, without the aid of a physician, is a saving in *fees* to the sufferer, but the really conscientious physician should rejoice at this, for the reason of the general benefits arising to mankind from its use.

READ WHAT THE PEOPLE SAY.

OFFICE OF SANITARY POLICE,
Montreal, June 18, 1874.

Messrs. DEVINS & BOLTON:

GENTLEMEN,—Having been one of the many martyrs of rheumatism that I meet on my daily rounds, I was induced to try the celebrated Diamond Recumatic Cure. I had suffered the last five or six weeks the most terribly acute pains across my loins and back—so severe, indeed, that I could hardly walk without the help of a stick. I commenced using the Diamond Remedy, following the directions carefully. Relief came immediately with the first bottle—improved with the second, and completely cured and free from pain after using my fifth small bottle.

You are at perfect liberty to refer to me either privately or publicly, as I feel very thankful for the relief and sympathy with my fellow sufferers from rheumatism.

Respectfully yours,
J. B. CARDINAL,
51 Labille street.

ST. JOHN, N. B.,
Sept. 29th, 1874.

A. CHIPMAN SMITH:

DEAR SIR.—This is to certify that the Diamond Rheumatic Cure has perfectly cured me of that dreadful pain called rheumatism. I have suffered with the said complaint for upwards of twelve years, and tried several doctors, but never found anything to cure it until I took some of the Diamond Rheumatic Cure. After taking three bottles of the said medicine I found myself so well as any man could wish for to be, for which I strongly recommend it to all who suffer from that dreadful pain.

PETER F. JOHNSON,
123 Prince Wm. street.

DIAMOND RHEUMATIC CURE.

It is the result of a life time of scientific study, and is now for the first time offered to the Canadian public, prepared by a careful, experienced and conscientious physician, in obedience to the desire of numberless friends in the profession, in the trade and among the people.

Every bottle is warranted to contain the full strength of the medicine in its highest state of purity and development, and is superior to any medicine ever compounded for this terrible complaint.

This medicine is for sale at all the druggists throughout Canada. If it happens that your druggist has not got it in stock, ask him to send for it to
