

St. John N. B., December 19, 1874.
Mr. T. Graham, Dear Sir: I have been for several years under particular obligation to you for a bottle of your Pain Expeller. You, I think, remember having met me in Grand Manan about eight years ago, when I had been laboring about eighteen months under the distress of a very lame knee, the result of a very severe fall. I had previously tried most all the popular remedies under the head of "Pain Killers," etc., to no effect. Your one bottle cured me permanently, and I always praise the bridge that carries me safely over.

Yours, with gratitude,
GEORGE GARRATT,
Pastor Christian Church, Duke street.

Quacks Confounded!

Rheumatism and Gout have heretofore been considered by the ordinary practicing physicians as incurable diseases, and the quarry has often been pronounced of what benefit to the helpless sufferer is all their pretended science, and what still it avails their long and tedious course of treatment to procure for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of investigation is prescribed within certain bounds and limitations compelling the student to tread in certain well worn paths, or suffer disgrace and excommunication from his high standing in the profession, and often he is cured by the use of the Diamond Rheumatic Cure, which is a simple and effective remedy, and often procured by the patient, and is a saving in fees to the sufferer, but the really conscientious physician should rejoice at this, for the reason of the general benefit arising to mankind from its use.

DIAMOND RHEUMATIC CURE.
For his high standing in the profession, and the learning and science of an able mind, quickly completed the Diamond Rheumatic Cure, and now physicians generally all over the world, who have tried this medicine, admit of its wonderful efficacy, and often prescribe it for their patients. Of course, the use of the Diamond Rheumatic Cure, without the aid of a physician, is a saving in fees to the sufferer, but the really conscientious physician should rejoice at this, for the reason of the general benefit arising to mankind from its use.

READ WHAT THE PEOPLE SAY.
OFFICE OF SANITARY POLICE,
Montreal, June 15, 1874.
Messrs. DEVIAS & BOLTON:
GENTLEMEN—Having been one of my daily trials, I was induced to try the celebrated Diamond Rheumatic Cure. I had suffered the pain of six or seven weeks, and it was so severe, indeed, that I could hardly walk without the help of a stick. I commenced using the Diamond Rheumatic Cure immediately with the first bottle—improved with the second, and completely cured and free from pain after using my fifth small bottle. You are at perfect liberty to refer to me either privately or publicly, as I feel very thankful for the relief and sympathy with my fellow sufferers from rheumatism.
Respectfully yours,
J. B. CARDINAL,
51 LaBelle street.

St. John, N. B.,
Sept. 23rd, 1874.

A CHIPMAN SMITH:
DEAR SIR—This is to certify that the Diamond Rheumatic Cure has perfectly cured me of that dreadful pain called rheumatism. I have suffered with the said complaint for upwards of twenty years, and tried several doctors, but never found anything to cure it until I took some of the Diamond Rheumatic Cure. After taking three or four bottles of the said medicine I found myself so well as any man could wish for to be, for which I strongly commend it to all who suffer from that dreadful ailment.
PETER F. JOHNSON,
125 Prince Wm. street.

DIAMOND RHEUMATIC CURE.
It is the result of a life time of scientific study, and is now for the first time offered to the Canadian public, prepared by a careful, experienced and conscientious physician, in obedience to the desire of numerous friends in the profession, in the trade and among the people.
Every bottle is warranted to contain the full strength of the medicine, and is superior to any medicine ever compounded for this terrible complaint.
This medicine is for sale at all the druggists throughout Canada. If it happens that your druggist has not got it in stock, ask him to send for it to
