Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

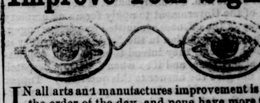
Improve Your Sight!



IN all arts and manufactures improvement is now the order of the day, and none have more fully acknowledged and followed this precept than Messrs. Lazarus, Morris & Co., manufacturers of the Celebrated Perfected Lenses—all that science can do to alleviate the distress caused by weak or failing vision, has been carefully studied by them and adapted in the manufacture of their Celebrated Lenses—so well have they succeeded, that all confess, after trying these Celebrated Glasses, that inconvenience from defficiency of sight is at once removed.

APPLE TREES

For New Brunswick and Maine.

THE proprietors of the WOODSTOCK NURSERIES call attention to some facts, which go far to show the superiority and certainty of those trees over all others, and the folly of buying American Trees, or trees raised by parties without experience or knowledge of the needs of our extreme climate.

Orchards made from these trees are noted for early, certain, and heavy crops, and quality of fruit which brings the highest prices in all markets where sent. The superiority of the orchards to be found at Woodstock, over all others of their size and age, planted from these nurseries, and that no such successful orchards can be found of the thousands of imported trees which have been planted here are sufficient testimony in favor of these trees.

Five hundred thousand trees are now growing in these nurseries. CALDWELL BROTHERS, and their Agents, are travelling and taking orders for these trees.
