Messrs. Devins & Bolton:

Gentlemen,—Having been one of the many martyrs of rheumatism that I meet on my daily rounts, I was induced to try the celebrated Diamond Recumatic Cure. I had saffered the last five or six weeks the most terribly acute pains across my loins and back—so severe, indeed, that I could hardly walk without the help of a stick. I commenced using the Diamond Remedy, following the directions carefully. Relief came immediately with the first bottle—improved with the second, and completely cured and free from pain after using my fifth small bottle. You are at perfect liberty to refer to me either privately or publicly, as I feel very thackful for the relief and sympathy with my tellow sufferers from rheumatism.
