Saint John, N. B Ayer's Cathartic Pills,

use: and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and maggish are cleansed by Aper's Pills, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the equstitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure:

For Dyspepsia or Indigestion, Listlessness, Eanguor and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Ethious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which iseased action or remove the obstructions whi For Dysentery or Diarrhoea, but one mild dose is generally required.

For Rhessmatism, Gott, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those
