strong northwest wind and the intense cold. They are also badly used up.

Accounts from the Connecticut shore on Long Island Sound, state that the New Haven boats were somewhat damaged in working through the ice the past two days. Bridgeport Harbor is sealed for a time, and the same can be said of Southport, Westport, Norwalk and Miamus. At Cos Cob old fishermen claim that the sound is actually frozen over.

RIVER PHILIP, N. S., April 10, 1873.

Messrs. T. Graham & Son,—Dear Sirs: Having used your Pain Eradicator for ten years, in almost every case with beneficial results, my confidence in its efficacy was such that last season I took a quantity with me to Manitoba, and whilst engaged there can attest to its benefit both to myself and to the men of my party in several cases of Rheumatism, Sprains, Bruises, etc. Should I return there this season I will provide myself with another supply.

Yours truly,
OTIS B. DAVIDSON,
Deputy Land Surveyor.

DISEASE OF THE LIVER.

The liver is much more frequently the seat of disease than is generally supposed. The functions it is designated to perform, and in the regular execution of which depends not only the general health of the body, but the powers of the stomach, bowels, brain, and the whole nervous system, shows its vast and vital importance to human health. When the liver isseriously diseased, it in fact not only deranges the vital functions of the body, but exercises a powerful influence over the mind and its operations, which cannot be easily described. It has so close a connection with other diseases, and manifests itself by so great a variety of symptoms of a most doubtful character, that it misleads more Physicians, even of great eminence, than any other vital organ. The intimate connection which exists between the Liver and the Brain, and the great dominion we are persuaded it exercises over the passions of mankind, convinces us that many unfortunate beings have committed acts of deep and criminal atrocity, or become what is termed Hypochondriacs from the simple fact of a diseased state of the Liver. We have long been convinced that more than one-half of the complaints which occur in this country, are to be considered as having their seats in a diseased state of the Liver. We will enumerate some of them: Indigestion, Stoppage of the Menses, Deranged State of the Bowels, Irritable and Vindictive Feelings and Passions from trifling and inadequate causes, of which we afterwards feel ashamed; last though not least, more than three-fourths of the diseases enumerated under the head of Consumption, have their seat in a diseased Liver. This is truly a frightful catalogue. Wilson's Tonic and Sarsaparillian Elixir as a remedy for Liver and Bilious Complaints has no equal. The great success which has attended its use will convince the most incredulous. It has been the proprietor's wish that this Elixir should be fairly and fully tested, and that the result has been in every respect favorable, numbers of witness can testify.

Cure of Bronchitis.

SMITHFIELD.

J. C. CHAMBERLAIN, ESQ.—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of Northumberland for about a year without receiving any benefit. In fact I continued getting worse all the time. At last I was advised to try the Great Shoshoneen Remedy. I bought a bottle and took it, and when it was about finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness, and have been so ever since.

Allen's Lung Balsam.

Is the great modern remedy for COUGHS, COLDS, CONSUMPTION, ASTHMA, CROUP and BRONCHITIS. It is recommended by Physicians everywhere, who are acquainted with its great usefulness.

Dr. A. L. Scovill, of Cincinnati, Ohio, says:—"I have witnessed its effects on the young and the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted. For Coughs, and all the early stages of Lung complaints, I believe it to be a certain cure; and if every family would keep it by them, ready to administer upon the first appearance of disease about the Lungs, there would be very few cases of fatal consumption. It causes the phlegm and matter to rise without irritating those delicate organs (the lungs), and without producing constipation of the bowels. It also gives strength to the system, stops the night-sweats, and changes all the morbid secretions to a healthy state."

Sold by all Druggists. Price $1 per Bottle.

Quacks Confounded!

Rheumatism and Gout have heretofore been considered by the ordinary practising physicians as incurable diseases, and the querry has often been propounded, of what benefit to the helpless sufferer is all their pretended science; and what doth it avail—their long and tedious course of study—if they are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of investigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well worn paths, or suffer disgrace and excommunication from that highly respectable order of mortals known as the *Medical Faculty*. How often genius has been curbed in its flights of investigation can easily be imagined. And often really grand and beneficial discoveries have been placed under the ban of censure by those self-constituted censors, for no reasons whatever, but that they are innovations upon a stereotyped and time honored prescription. It was not so, however, with the proprietor of the

DIAMOND RHEUMATIC CURE,

for his high standing in the profession, and the learning and science of an able mind, quickly compelled the CENSOR to succumb, and now physicians generally all over the world, where this medicine is introduced, admit of its wonderful efficacy, and often prescribe it for their patients. Of course, the use of the Diamond Rheumatic Cure, without the aid of a physician, is a saving in *fees* to the sufferer, but the really conscientious physician should rejoice at this, for the reason of the general benefits arising to mankind from its use.

READ WHAT THE PEOPLE SAY.

OFFICE OF SANITARY POLICE,
Montreal, June 18, 1874.

MESSRS. DEVINS & BOLTON:

GENTLEMEN,—Having been one of the many martyrs of rheumatism that I meet on my daily rounds, I was induced to try the celebrated Diamond Rheumatic Cure. I had suffered the last five or six weeks the most terribly acute pains across my loins and back—so severe, indeed, that I could hardly walk without the help of a stick. I commenced using the Diamond Remedy, following the directions carefully. Relief came immediately with the first bottle—improved with the second, and completely cured and free from pain after using my fifth small bottle.

You are at perfect liberty to refer to me either privately or publicly, as I feel very thankful for the relief and sympathy with my fellow sufferers from rheumatism.

Respectfully yours,
J. B. CARDINAL.
51 Labille street.

St. JOHN, N. B.,
Sept. 29th, 1874.

A. CHIPMAN SMITH:

DEAR SIR,—This is to certify that the Diamond Rheumatic Cure has perfectly cured me of that dreadful pain called rheumatism. I have suffered with the said complaint for upwards of twelve years, and tried several doctors, but never found anything to cure it until I took some of the Diamond Rheumatic Cure. After taking three bottles of the said medicine I found myself so well as any man could wish for to be, for which I strongly recommend it to all who suffer from that dreadful pain.

PETER F. JOHNSON,

DIAMOND RHEUMATIC CURE.

It is the result of a life time of scientific study, and is now for the first time offered to the Canadian public, prepared by a careful, experienced and conscientious physician, in obedience to the desire of numberless friends in the profession, in the trade and among the people.

Every bottle is warranted to contain the full strength of the medicine in its highest state of purity and development, and is superior to any medicine ever compounded for this terrible complaint.

This medicine is for sale at all the druggists throughout Canada. If it happens that your druggist has not got it in stock, ask him to send for it to
