Successive attacks upon the WITNESS during each of the past three years, culminating in what has been called "The Ban" of the Roman Catholic Bishop of Montreal, although not otherwise desirable circumstances, have done a great deal to concentrate and intensify the zeal of the friends of Temperance and religious liberty in favor of the WITNESS. Indeed, the fact that the last assault has been followed up for six months with the most untiring efforts to break down the paper on the part of the most powerful moral opposition that could be organized on earth, and has resulted in cutting us off from some, at least, of those Roman Catholic readers whose good will we formerly enjoyed and highly prized, gives us, perhaps, some claim on the kind offices of those who value free speech and freedom of religious belief. The actual diminution of th circulation of the DAILY WITNESS is, of course comparatively small, amounting to about 500 out of 13,000, or less than four per cent., and does not affect us pecuniarily, as we can still claim a circulation equal in volume to that of all the rest of the daily city press, probably the all the rest of the daily city press, probably the majority of our old Roman Catholic readers be-

To this end we have determined to depart from the usual course of allowing our publications to commend themselves on their merits alone, and to inaugurate on a arge scale a competitive enort on the part of

list. This competition will last during the month of October, and will be open to all. The list of prizes will be found below. If this comes to any who are not familiar with the WITNESS, we may say that for twenty-nine years it has labored for the promotion of evangelical truth, and for the suppression of the liquor traffic. Our efforts is to produce a Christian Temperance Newspaper, unattached to any political party or religious denomination, seeking only to witness fearlessly for the truth and against evil doing under all circumstances, and to keep its readers abreast with the news and the knowledge of the day. It devotes much space to Social, Agricultural and Sanitary matters, and is especially the paper for the home circle. It is freely embellished with engravings.

The Weekly Witness has been enlarged twice, and nearly doubled within four years, and is the very most that can be given for the price

ment, a Sanitary department, and an Agrii-cultural department. Two pages are given to family reading, two to a tale in large type for children, and one to the Sunday School lessons of the International Series, and a children's

The object of the publishers of the Dominion is
to develop a native Canadian literature, and very much has been accomplished in this way during its history of nine years, the age of the Magazine being that of the Dominon of Canada. Those interested in the same object will not, we think, waste their efforts if they do what they can to make the Magazine a pecuniary success, what we presume no magazine in Canada has ever yet been for any length of time.

So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great cor-ruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other com plaints, to which it would not seem especi ally adapted, such as Dropsy, Dyspep-sia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and
