on the petition against the return of Levite Cheriault, member of Madawaska. We quote as follows:-

This morning judgment was given by Victoria for the previous year. In the year tunately, is against 1874. 1873 the County of Victoria was divided, and a part of it formed into the County of Mad-Petition, on the grounds—(1.) That there being no register of voters for Madawaska, the petitioners Byram and Poitras were not qualified to petition under the Election Petition of 1869, (which establishes the Election Court for the trial of such cases.) (2.) That the recognizane given by the Petitioners for security for costs was defective, because it referred to an Election Petition for the trial of such cases.) cause it referred to an Election Petition for the Court of Victoria instead of Madawaska: That the sureties named in the recognizance | temperance."

were not worth the amount for which they The Judge decided that the use of the re ised lists for Victoria was unauthorized: but expressed an opinion that under the 1st section of the Act 18 Vic., c. 37, (which re culates elections) persons who possessed the property qualifications required by law would have had a right to vote, though there was no register of electors. The words of the ection to which he referred are: "If there be no assessment for the Parish in any year. hen the possession of the qualification,-i ., £25 worth of real estate, or £100 of peronal estate or income-shall of itself be suf ncient." He said that if this had been th only objection to the petition he would no

have set aside the proceedings. The objections to the recognizance he held f Poitras (though he was named in it) no having acknowledged it before the Judge of the County Court, and therefore the responlent (Theriault) had not the security for his ests which the law intended he should have viz., both the petition r -- and that a valid re ognizance was a condition to the right t proceed on the petition. An order was mad to stay the proceedings on the petition, with
