HOUSE OF ASSEMBLY.

Our Fredericton Letter. mittee as recently submitted to the House Fredericton, March 30, 1875

I was in error in my last letter in stating that the bill to facilitate a settlement of financial matters between Victoria and Madawas-

week has been occupied in the discussion of the amendment to the Attachment Law, the The paid up capital stock of a joint stock Agricultural Bill, Mr. Willis, Resolution favoring Legislative union of Martime Provinces the assessment, shall be assessed as personal and Burns' motion to correct financial statement of Provincial Secretary. The bill relating to agriculture passed by a large majori-Incomes derived from any trade, profes- ty, although its provisions were not such as sion, occupation, employment or calling, several of its supporters desired, but as there ed from any office or place, (other than an and that the measure is only intended as an exoffice or place in or under government, or in periment for one year, it was thought best to connection with any department of the publadopt it. It was argued by some that as the lic service), shall be assessed in the Parish Government did not contain any farmers it ployment or calling is carried on, or such todeal properly with the question, while others place or office is filled or executed, as the held that to understand how to manage a farm did not necessarily qualify a man to con-The incomes above excepted and rateable ceive and perfect measures for the general incomes from all other sources whatsoever agricultural interest of the country. It is shall be assessed in the Parish where the worthy of remark that although there are eight farmers in the House, a very few of whom seemed to approve of the bill, not one had any scheme to suggest by which the agricultural interests of the country might be bet-

ter fostered, or more efficiently encouraged. Mr. Willis' motion by which he sought to get the opinion of the Assembly as to the formation of a Legislative union of the three Provinces, New Brunswick, Nova Scotia and Prince Edward Island, was quite fully discussed, but as members seemed undecided. and desirious of more mature consideration before voting upon the matter, the Provinpose shall travel over the entire Parish, City or Town, and who shall set down in such The names (alphabetically arranged) of mentary dodge the House shirked the vote. thought it a thing not to be desired.

It would be extending the letter to too 000 which the law places at the diposal o for the purchasing of stock, making in all \$22,000. Last year the amount expended

It may be interesting to your readers t know how much of the public money found its way to your county last year. The following statement will show:— For Agriculture, do Jury Fees, Education: \$4849 41 Parish Schools, 200 00 Grammar School, \$275 00 Inspectors Salary, Travelling Expenses,

Bye-Road Money Great Roads and Bridges, Recording Marriage Certificates, Clerk Peace,

A very large number of local and private bills have passed, among which may be mentioned as affecting your vicinity, that com-mitted by Mr. Leighton to incorporate the Maduxnakik Stream Driving Company. Mr. Jones introduced "a bill to incorporate the Carleton County Cheese Manufacturing Company." Mr. Jones, on Thursday, asked the Attorney General the following question " Is it the intention of the Government to introduce a measure at this session to provide that a parish shall be compelled to support its own poor, and to empower the overseers of the poor of any parish into which the parish to which they belong." The Attorney General stated in reply, that although he rerecognized the importance of having a law to egulate the matter as he had seen the neessity for it in St. John, and elsewhere, yet the Government were not in a position to

bring down such a measure this session. The Attorney General, a few days since introduced the bill relating to the levying and collecting of rates and taxes which has not yet been committed. The principal new fines "income," and provides that property instead of being rated at one-fifth shall and \$1000 rateable income shall be assessed on \$2000, and not as before on \$1200, thus ed in each county, no two of whom are to re- Audit Office. ed in each county, no two of whom are to reside in same parish, and they, guided by certain information furnished by the assessors, are to make valuation. It is to be hoped that due consideration will be given to this that due consideration will be given to this that due consideration will be given to this the amount over the sum granted. The returns abandoned.

THE PUBLIC ACCOUNTS .- The following is the Report of the Public Accounts Com-

of Assembly: Committee Room, 22nd March, 1875. "The Committee appointed to examine the Public Accounts for the fiscal year end- City of Mexico, was invited to Acapulco last ed 31st October, 1874, beg to report: "1st. Your Committee have carefully examined the several accounts and documents connected with the Board of Works Office, and find the total expenditure of this Department on great roads and bridges for the year 1874 amounted to \$173,393.45, being largely in excess of the preceeding year. Of this amount \$60,074.44 was expended under special supervision. Your Committee are! of opinion that it is only in exceptional cases that the Department would be justified in authorizing the expenditure of large sums of

ings and Public Offices, and the still larger dogmas. sum of \$10,347.87 on Government House and Wharf, or Breakwater. We cannot withhold our opinion that, in view of the large sum of \$6,273.02 having been expended for the latter service in the year 1873, the excessive outlay of 1874 appears to your Committe to have been somewhat unnecestestant Church has two doors, both open-up his body, bit his hands, and one bolder sarily large and your Committee would urge on the Chief Commissioner the necessity of curtailing as much as possible the expenditure of his Department in that respect. In referring to the item of Contingencies, your this tree, and at either side of the door, relief. When rescued he presented a shock-Committee find that the stationery and other articles were furnished at most exboritant prices. Your Committee would earnestly

recommend that, in future, some better and economical arrangement be made for procurmay be necessary for the several departments. Your Committee are of the opinion that the sum charged for salary of W. W. Watt should not have been paid as a miscellaneous item, but should have been included in the estimates and provided for by warrant, the same as other departmental officers; and your Some speakers looked upon this union as the ideal of the maritime mind, but thought the the Chief Commissioner is large, and while times were not ripe for it, while others the Chief Commissioner is large, and while the Chief Commissioner is large, and the Chief Commissioner is large, and the Chief Commissioner is large, and your Committee have no desire that the Chief Commissioner in the discharge of his duties should in any way lessen the dignity of his position, would suggest that his expenditure in this respect should be kept withseveral amounts granted in supply for the penditure in this respect should be kept withseveral amounts granted in supply for the various services of the country, but I might warious services of the country, but I might in the lowest possible point consistent with the weapon reached its mark.
