Among the more prominent articles we find laws—which Govern Life: Prevention of Disease in Chilmiles an hour to a standstill. The damage to hay and crops can hardly be estimated.

Goldsmith Maid Beaten.—Rochester, N.

The free for all roce brought to the act passed two years ago. These, however, can be taken only during the winter months, or from November to April.

The betting was four to one on the Maid, and, with her out, fifty to forty dollars on American Girl against the field.

Satisfaction began to spread itself over his countenance, but it was only for an inetant dollars on American Girl against the field. satisfaction began to spread itself over his One case, however, reported, demands that Lulu broke up badly on the scoring. The prehend what had taken place such a spit Une case, however, reported, demands that a searching investigation be had, for definite statements are made which cannot be allowed to go unnoticed. It is said that the body of the son of a late Universalist Minister (Rev. Mr. McArthur) was treated in an outgregeous manner, and probably not buried at all. A strict inquiry should be made at once.

Lulu broke up badly on the scoring. The first heat was won by Goldsmith Maid in 2:15½, with American Girl, who had the lead at the half, a good second, Lulu third, and Nettie fourth. The second heat was won by Lulu in 2:16½, beating the Maid by half a length, amid the wildest excitement, Nettie for the twain, and a number of persons who saw them flitting up the street rushed out to ask, "Where's the fire?" That ball of was won by Lulu in 2:15; She crossed the to ask, "Where's the fire?" That ball of soap, with one side corrugated and wrinkled as if it had narrowly escaped being run be-tween a pair of cog-wheels, hangs above the basket like the sword of Damocles, and to visitors is a never-ceasing source of wonder and admiration.—Boston Post.
