Books! Books!

There is a well-authenticated story of a gentleman who, on being stopped in his carriage and having his purse demanded by highwaymen, put hand into his purse pocket and dragge out a pistol, killed the men on the lately discovered equal address. Stopped by a robio, when walking by the Meuse, who a robio, when walking by the Meuse, who are the best Pills we ever used. For the cure of all disorders of the stomach and bowels, liver complaint, billiousness, sick-headache, loss of appetite, restless nights, debility, and general weakness there is no equal to them.

There is no preparation that stands so high among farmers, grooms, and livery standard or having her monor that stands so high among farmers, grooms, and livery standard or the best Pills we ever used. For the cure of all disorders of the stomach and bowels, liver complaint, billiousness, sick-headache, loss of appetite, restless nights, debility, and general weakness there is no equal to them.

There is no preparation that stands so three applications of the stomach and bowels, liver complaint, billiousness, sick-headache, loss of appetite, restless nights, debility, and general weakness there is no equal to them. burse, when of a sudden she seized him, and

London, Oct. 28.—The Arctic expedition, which has just returned, made rich collections in natural history and valuable scientific observations were taken. Excellent coal was found near the place where the fleet wintered. The Expedition experienced the coldest weather ever registered, the temperature being 59 degrees below zero for a fortnight, and falling once to 104 degrees below freezing point. A sledge party reached within four hundred miles of the North Pole.
