which could never result from the use of any 1870, \$71. The average to each individual constant dread of impending calamity, all which could never result from the use of any one of them, or in different combinations.—
Thus in the preparation of this Oil a chemical change takes place, forming a compound which could not by any possibility be made which could not by any possibility be made from any other combination or proportions of the same ingredients, or any other ingredients, and entirely different from anything ients, and entirely different from anything in a general failure of the mental in a general failure of the mental and physical powers. Wilson's TONIC increase in production. The industry of the country has increased much faster than its increase discussion. But our cities show that this added wealth does not go mainly to those whose labor has made it, but to the middle-ients, and entirely different from anything in a general failure of the mental and physical powers. Wilson's TONIC and SARSAPARILLIAN ELIXIR is a certain remedy for these diseases, with their numerous progeny of symptomatic affections. By its direct tonic and invigorating power it will strengthen the debilitated stomach, increase the secretion of the same ingredients, or any other remains in a general failure of the mental and physical powers. Wilson's TONIC and SARSAPARILLIAN ELIXIR is a certain tall and physical powers. FRESH AND NEW ever before made, one which produces the men and capitalists. The tendency of the crease the secretion of the gastric juice, promost astonishing results, and having a wider past ten years has generally made the rich mote a healthy assimilation of the food, and range of application than any medicine ever before discovered. It contains no alcohol or other volatile liquids, consequently loses nothing by evaporation. Wherever applied you get the benefit of every drop: wherers with other preparations nearly all the alcohol is lost in that way, and you get only the Sold by all medicine dealers. Price 25

noon, about 4 miles above Canterbury bably killing him instantly. The painful probability is that he was in liquor at the time.

A cow was killed by the engine of the up passenger train, N. B. & C. Railway, on Thursday, near Benton. A Maine farmer set fire to a pile of straw on his barn floor to make a light to harness his horse by, and now he has no barn. Ohio and Michigan Free Masons have re-

solved not to visit the Centennial Exhibition

unless railroad fares are futher reduced. A news paragraph which appears in the English papers shows the severity with which blackmailing letter-writers are punished in the mother country. At the Manchester Assizes, before Mr. Justice Blackburn, one Charles Taylor was charged with having, at Manchester, on the 19th January last, sent a threatening letter to Mr. Geo. Edmund Legge Poerse endeavoring to extort £2. The A news paragraph which appears in the Pearse, endeavoring to extort £2. The prisoner, who appeared to be a person of good education, had been known to the prosecutor, who is a surgeon of Markham Road,

Wales kindly begged him in advance "not to preach more than twenty minutes."

New York, May 15.—The flood in Connecticut

that free common schools shall be maintained forever, and that no support or aid shall be given to any school or institution "under the control or in charge of any church, sect, denomination, or religious society; nor to or in aid of any school in which instruction is given peculiar to any church, creed, sect, by denomination, or to or in aid of any school in which instruction is given peculiar to any church, creed, sect, by denomination, or to or in aid of any school or instruction not wholly under the control and supervision and in charge of the public school authorities." It is necessary for the amendment to receive the sanction of the Legislature of 1878 and be ratified by the people in the constitution.

The supervision and in charge of the public school authorities. It is necessary for the amendment to receive the sanction of the Legislature of 1878 and be ratified by the people in the fall of that year before it can become part of the constitution.

The supervision is the constitution of the legislature of 1878 and be ratified by the people in the constitution.

The supervision is the constitution of the legislature of 1878 and be ratified by the people in the constitution.

The supervision is a side from the effect of the wound he received in his duel at Prague with Count Kalowrat. The laster the beest and will be constituted. The supervision of the persent year. By order of the Board of Directors. Dated the 16th day of May. A. D. 1876.

The Manchester Guardian's London correspondent for the release of Fenian prisoners will be presented to Mr. The purpose of the public school and the constitution of the legislature of instruction or to or in aid of any school or in aid of a

the constitution.

A Springfield Manufacturing firm has failed, and in consequence six mills in different parts of Massachusetts have closed, throwing light hundred people out of employment.—
The protective tariff is the cause, perhaps, not high enough or too high, or something. An explanation is desirable. Will some of our Protectionist friends rise? Silk manufacturing in the United States has been unprofitable of late, with a protection of fifty percent, but the American firm which has been prospecting in this sity of late, has decided to come to Canada where there is only ten per cent. protection for the article proposed per cent. protection for the article proposed which a number of persons were killed and some to be manufactured. Will the Protectionist wounded. Details are however meagre, Gold 1123-8 orator explain this also while he is on his and 1121. feet ?- Witness.

Mr. Corvin of London, in his valuable pamphle on hydrophobia, endorses the theory of Dr. Thompson, according to which it is a vulgar error that patients in hydrophobia are mad. They are not mad; there is no such thing as madness connected with the disease. The Duke of Richmond, who, while Governor-General of Canada, was bitten by rabid fox, and suffered from the most violent paroxysms, which ended in death, had sufficient fortitude and self-control in the intervals to give all necessary directions for the conduct of public business and the settlement of his own private affairs.

At the Sheffield (Eng.,) County Court, the At the Sheffield (Eng.,) County Court, the Judge gave judgment in a case which involved the question of a wife's control over the wedding ring. A married woman died at her mother's house, and shortly before her death gave her mother her wedding ring. The must bapd now claimed the value of it as a set off against a claim brought against him for off against him for on against a clumbar and lodging. In giving side great excitement exists. Gold 112 3-8 and judgment his Honor said a wedding ring 112 1-3, came under a class of articles which the wife had separately and independently of her hushand, and she had power to keep them, but she had no power to give them away. On Messrs. T. GRAHAM & SON. the other hand, the husband had power to Dear Sirs.—Having used your PAIN

Secutor, who is a surgeon of Markham Road, Finsbury, London, for over two years. On the 18th of January he wrote to the prosecutor asking for £2, on the threat of divulging some secret connected with an alleged unatural crime. The prosecutor denied that there was any truth in these allegations. The Judge said that the question of the truth of the allegations did not matter. The jury returned a verdict of guilty, and the prisoner was sentenced to penal servitude for life, the Judge remarking that the offence with which he was charged was only next to murder in gravity.

When Dr. Norman McLeod preached before the court of Abergeldie, the Prince of Wales kindly begged him in advance "not life."

London, May 15.—Intelligence from Salonica announces that the port is blockaded, and none allowed to leave until the inquiry is terminated. Two French iron-clads and two frigates arrived at Piracus on their way to Salonica. Fresh disturbances are feared, and the schools are closed and work suspended. The bodies of the murdered Consuls are still unburied. Thirty-six arrests have been quietly effected. Cholera is raging in Mandalay and the prisoner was sentenced to penal servitude for life, the Judge remarking that the offence with which he was charged was only next to murder in gravity.

When Dr. Norman McLeod preached before the court of Abergeldie, the Prince of Wales kindly begged him in advance "not work suspended. The bodies of the murdered Consuls are still unburied. Thirty-six arrests have been quietly effected. Cholera is raging in Mandalay and the salve the conference says: "The announcement of a complete agree ment between the three Imperial powers is satisfactory, but as it appears that all plans of positive action are rejected, and that the Powers are about to tender good advice again to the Sultan and insurgents, we think it would be premature to thank the Chancellors for the settlement of the Eastern Question."
