The celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple. certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, This Lecture should be in the hands of every youth and every man in the land.

An old newspaper friend of mine, While dying from a cough, Desired to have the latest news, While he was going off.

I took the paper and I read Of some new pills in force; He bought a box—and is he dead?
No—hearty as a horse.

I knew a printer's debtor once;
Racked with a scorching fever,
Who swore to pay her debts next day,
If her distress would leave her. Next day she was again at work, Divested of her pain,

But did forget to pay the debt, Till taken down again. "Here, Jesse, take these 'silver wheels,'

She spoke, and slept, and then awoke

Prepared by T. GRAHAM & SON April 17, 1871. Saint John, N. Iron in the Blood

MAKES THE WEAK STRONG. The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as casily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System, The enriched and vitalized blood permeates every part of the body, repairing damages and weste, searching out morbid secretions, and leaving nothing for

disease to feed upon. This is the secret of the won-Cerful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or ac-companied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Con-PLOEVE

ctitution. Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. See that each bottle has PERU-VIAN SYRUP blown in the glass.
