CITY HALL CONCERT. The new City Hall, in Fredericton, was formally opened on Wednesday evening, 14th inst., in presence of a large, enthusiastic and intelligent audience. City Hall is indeed a noble edifice, a substantial monument to the living industry and enterprise of Fredericton's citizens; but our object is to speak of the Grand Concert given at its opening, and while we indulge in a friendly criticism upon the same, be it remembered that we shall adhere to the truth conscientiously and equarely in the cause of music. The pro- The Garleton Sentinel. grammes, beautiful specimens of art, embraced a rare collection of Sacred and Secular Music, some of which will ever embellish the illlustrious memory of their dead authors, and although City Hall Concert proved seriously detrimental to the most of these pieces, Brick Building, up stairs as glorious trophies of science, they still live
