Poetry.

My Vanished Past.

This is the "nevermore"; Here lies the sunshine too bright to last,

Here were the flowers love dwelt among,

This was the land of the poet's song, This was the artist's dream;

This was a heaven come down below,

Such a little while, like an island bright,

Which on the morrow we find the night

A memory mine, one that sadly thrills;

Ceme back to my life some day.

You are silent forever and still;

And train o'er it flower's fair,

line, in a mournful voice

a higher position.

"Still superstitious," Edgar said.

to Edgar's words. And when he again

also agreeable to her, to be free.

home to marry Miss Erving.

Caroline wrote in reply.

"You are free," were the only words

Perhaps you will meet me there.

But the sunset glories that fade so fast

Shall arise soon o'er the top of the hill.

For I think when I wake in that other land

Select Tale.

Heart, Cross and Anchor.

And in it was left God's smile;

That has risen far out at sea,

Has changed to a memory.

And oftimes I wearily pray

Here was life's fairest gleam;

This was the golden shore.

The Thakur was so angry that he had to shoot up into occasion, and declared that the child caught the disease.—

The Thakur was not in my work. I was so angry that he had to shoot up into occasion, and declared that the child caught the disease.—

The Thakur was so angry that he had the shoot to the chamar seized; but the ch authorities interfered. The people still be-lieve in the power of the chamar and in his atory about the witch,

No one apparently had the remotest suspi-cion that any such bargain was in contemplation. With more than ordinary prudence and reserve the Ministry concealed their intentions from even the rank and file of their own followers; and when, for the first time, the subject reached the public ear, it was not in the form of speculation, as one of the "probabilities" of political diplomacy, on which the Ministers were anxious to obtain the sense of Parliament or the country before ommitting themselves to an irretrievable bargain, but as a fait accompli, with the China has decided upon sending out am- therefore, fell upon the country with all the bassadors to reside among the outside bar- surprise of a grand coup d'état; the Govern-

Life is a constant sunrise, which death cannot interrupt, any more than night can swallow up the sun.

You will hear some people read poetry so that no mortal could tell it was poetry; so do some people read their own lives and those of others.

The Michigan Supreme Court has recently rendered an interesting decision. The ly rendered an interesting decision. The chief point is, that without prohibitory legislation the traffic in intoxicating liquors is legal and requires no license, standing on the same footing as other trades. Moreover, as the trade requires no license to make it legal, the clause in the Michigan Constitution for bidding license is of no effect. The Legislator of the struggles of Turkey. The presence of so large a squadron in the Mediterranean is not to be construed in any shape into a menace to either Turkey or Russia.—

There can be no doubt, however, that it is intended as a safeguard, and that it is meant for other nations to understand that Great Britain must have a voice and power in the clause in the Michigan Constitution for bidding license is of no effect. The Legislator of the Struggles of Turkey.

The Michigan Supreme Court has recently a squadron in the Mediterranean is not to be construed in any shape into a menace to either Turkey or Russia.—

There can be no doubt, however, that it is meant for other nations to understand that Great Britain must have a voice and power in the clause in the Michigan Constitution for final solution of the Turkish problem. This target has a special tax on the constitution for final solution of the Turkish problem. ture has power to lay a special tax on the is evidently understood by the European liquor trade, but such a tax is not a license. Powers in general; and the secret reason of There is a grave possibility that it will have been effectually outmanceuvred in ditake more room than there is in the Exposiplomacy, and that they will be as effectually the shirt which Washington wore an through the winter at Valley Forge to the ironing-board with which Thomas Jefferson's mother tory to themselves, without asking the conseed to spank him when he was a boy.

Britain had a perice right to the spank him when he was a boy.
