In Chatham, last week, a man named Joseph Slater, attempted to murder his wife by ing effect in the neck and breast. He afterwards attempted to commit suicide by cut ting his throat with a pocket knife. He came from Grand Rapide, Mich., some two years ago, and has been living in different places in Canada, a very dissipated character. His wife had separated from him and refused to live with him, and was employed as a cook in the Station Hotel. Slater entered the hotel kitchen by the back door and fired at his wife. She is considered out of Veslevan Notices, are of the most distressing danger, the shot having been extracted. character. We have already referred to the Her face was badly burnt by the gunpowder. The man was found with his throat cut, on Mr. James Smith's farm, about two miles distant. Dr. Sivwright was sent for and dressed the wound, and reports he will recover, though he suffered from loss of blood and is too weak to be removed to the jail.

A TERRIBLE AFFAIR .-- Utica, N. Y., Jan. 2, 1876 —Christopher Van Slyke and his son, of Clarksville, Madison county, while intoxicated, fired salutes in honor of the Centennial, with a gun in the yard adjoining the house, at about one o'clock, a. m., yesterday. After a while the father pointed the gun at his wife and asked if he should fire it off in vices, no schools, towns silent as the grave of the house, when she became frightened and teserted, the dead buried without funeral he turned it toward the bedroom, in which rites, the dying descried through fear of in- were a deaf and dumb daughter, another namection, graves only half dug because no one ed Emma, aged seventeen years, and a four s strong enough to dig the grave-you will year old child.
