DR. CHANNING'S Sarsaparilla

FOR THE BLOOD

CURES SYPHILIS, SCROFULA, SALT-RHEUM, ALL SKIN-DISEASES, TUMORS, ENLARGEMENT OF THE LIVER AND SPLEEN, RHEUMATIC AFFECTIONS, DISEASES OF THE KIDNEYS, BLADDER AND URINARY ORGANS, LEUCORRHŒA, CATARRH, AND ALL DISEASES RESULTING FROM A DEPRAVED AND IMPURE CONDITION OF THE BLOOD.

A HIGHLY CONCENTRATED EXTRACT OF **RED JAMAICA SARSAPARILLA** AND THE **DOUBLE IODIDES**

Space, forbids the giving more testimony in this place in favor of this great medicine. Is not one certificate, however, from an eminent and well known Physician like Dr. Bessey of Montreal, sufficient to establish its superiority over the numerous mixtures called Blood Purifiers offered by Druggists and others?

T. C. STRATTON, Esq.,
Montreal, Feb. 1st., 1875.

I cannot but record the formula from which Dr. Channing's Sarsaparilla is prepared, as one of the best possible combinations to constitute an effectual remedy, for the cure of *Blood Impurities*, so far as my experience has gone with this remedy. I can testify to its great value in the treatment of all Strumous and Cachectic affections, as Glandular Enlargements, and a wide range of skin affections; as a reliable preparation for general use as a *blood purifier*, I know of none equal to it, combining as it does, all the imputed virtues of Sarsaparilla, and several other valuable remedies, with the extraordinary alterative properties of the "*Double Iodides*," and of none that can be more highly recommended as safe, certain and reliable, and I have every confidence, that such a remedy for general use, taking the place of the many worthless nostrums of the day, will be a great boon to suffering humanity, and its use will be attended with the most satisfactory results. It should be invaluable to persons beyond the reach of medical advice, and will, no doubt, become popular with Medical men throughout the country.

Respectfully yours,
W. E. BESSEY, M.D.
3 Beaver Hall Square,

NOTE.—Dr. Channing's Sarsaparilla is put up in large bottles, with the name blown in the glass, and retails at $1.00 per bottle, or Six Bottles for Five Dollars. Sold by Druggists generally, and most Country Stores. Be sure, and ask for Dr. Channing's Sarsaparilla, and take no other. If not readily obtained in your locality, address the General Agents.

Cornwall Canal Enlargement.

Notice to Contractors.

SEALED TENDERS addressed to the Secretary of Public Works, and endorsed "Tender for the Cornwall Canal," will be received at this office until the arrival of the Eastern and Western mails, on WEDNESDAY, the NINTH DAY OF AUGUST NEXT, for the formation of a new entrance—south of the present one—at the lower end of the Cornwall Canal, embracing the construction of two Litt-locks, Waste-weir, &c.

The works will be let in one section, as indicated on the map of that part of the line, which, together with plans and specifications of the various works, can be seen at this office, and at the office of the Canal Superintendent, Cornwall, on and after FRIDAY the TWENTY-EIGHTH DAY OF JULY (INSTANT), at either of which places printed Forms of Tender can be obtained.

Contractors are requested to bear in mind that Tenders will not be considered unless made strictly in accordance with the printed forms, and—in the case of firms—except there are attached the actual signatures, the nature of the occupation, and place of residence of each member of the same, and further, an accepted bank cheque, or other readily available security, for the sum of FOUR THOUSAND DOLLARS, must accompany each Tender, which shall be forfeited if the party tendering declines or fails to enter into contract for the works when called upon to do so, at the rates stated in the offer submitted.

The cheque or money thus sent in, will be returned to the respective parties whose tenders are not accepted.

For the due fulfilment of the contract, satisfactory security will be required on real estate, or by deposit of money, public or municipal securities, or bank stocks, to the amount of five per cent. on the bulk sum of the contract, of which the sum sent in with the Tender will be considered a part.

Ninety per cent. only of the progress estimates will be paid until the completion of the works.

To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion willing to become sureties for the carrying out of these conditions, as well as the due performance of the works embraced in the contract.

This Department does not, however, bind itself to accept the lowest or any Tender.

By order,
F. BRAUN, Secretary

Department of Public Works,
Ottawa, 10th July, 1876. 3i-30

The Isolated Risk & Farmers Fire Insurance Company of Canada.

CAPITAL,	$600,000
DEPOSITED WITH GOVERNMENT,	101,000
ACCUMULATED PROFITS,	99,466

HON. ALEX. MCKENZIE, (Premier of Canada) PRESIDENT.

PROMINENT FEATURES.

A large Cash Capital and Deposit, giving undoubted security to all holding its Policies

It devotes its entire attention to the Insurance of Farm Property, and detached dwellings with their contents

It will not Insure Mills, Shops, Tanneries, Stores, Hotels, and other hazardous property, and therefore not subject to heavy losses, and affords a certain guarantee to those it insures.

Moderate rates—It will accept risks at the very lowest rates, compatible with the absolute safety it gives to its policy holders.

Not subject to heavy losses by sweeping conflagrations, as it confines its business to isolated property Pays for damage done by Lightning whether fire insues or not.

"Monetary Times," 17 December, 1875.

The Isolated Risk and Farmer's Fire Insurance Company, appears to be conservatively managed, and is continually gaining in the confidence of the farming community. Its policies are very liberal in their terms to the assured; and in dealing with losses we hear of no attempt at unfair settlement, or overreaching the assured. We think it just to make these statements, since the same cannot be said of every Company doing a Farm business. We cordially recommend it to the patronage of assurers having farm property to protect from the ravages of fire.

It has no equal for Sprains, Harness or Saddle Chafings, Stiffness, Scratches, Swellings, Cuts, Lacerations, Bleeding, Pneumonia, Colic, Diarrhœa, Chills, Colds, etc. Its range of action is wide, and its relief it affords is so prompt that it is invaluable in every Farm-yard as well as in every Farm-house. Let it be tried once, and you will never be without it.

CAUTION.—Pond's Extract has been imitated. The genuine article has the words Pond's Extract blown in each bottle. It is prepared by the only persons living who ever knew how to prepare it properly. Beware of all other preparations of Witch Hazel. This is the only article used by Physicians, and in the hospitals of this country and Europe.
