well-to-do farmer in a moment of passion, yesterday, murdered his aged father and mother, and seriously if not fatally stabbed his wife, and subsequently put an end to his life by hanging. One of the heaviest gales felt here for several years commenced about seven o'clock this morning from the North-West, with snow squalls. DISEASES OF THE SKIN.

Diseases of the skin although they are as a rule but little dangerous, yet add much to the sum of human misery. How quickly is the tew words in Scripture history "The dozs came and licked his sores." By recognizing this fact, we see how it is that WILSON'S SARBAPARILLIAN and TONIC ELIXIR prevents these diseases from forming or cures them when formed. By cleansing out the internal emunctories, stimulating the healthy process, by which they drain these impurities from the blood the Elixir prevents these diseases, because it leaves no poison in the blood for the skin to throw off, and where the disease is already formed it cures by cutting off the internal

Your one bottle cured me permanently, and I always praise the bridge that carries me safely over.
