Rev. Geo. W. Grant, Stirling, Ont., says: "Mrs. George Francis was severely afflicted with kidney disease, and had been under the care of three physicians without any beneficial result. She has since taken four bottles of the 'Shooness Remedy,' and now enjoys the best of health. I am glad to give credit to the 'Shooness Remedy,' and at the end of two days she was much better. By continuing the Remedy she was perfectly restored. Price of the Remedy in pint bottles \$1; in sixes a box."

There can be no question but that these dull times lead people to practice the greatest economy. True economy prompts the purchasers of Furniture to visit the warehouses of A. Henderson, Upper Woodstock.

The Grand Central Hotel, New York, will contain its well-merited popularity, and earn greater, by the sensible reduction of its rates from \$4.00 to \$2.50 and \$3.00 per day.

It is rumored that Lord Beaconsfield intends to resign the premiership as soon as efforts in the Budget are over. It is, however, the Privy Seal, which will give him a seat in the Cabinet. He is also said to be writing his life, one of the most interesting of modern times.

From July 1 to Dec. 31, 1876, eighty-nine millions of postal cards were sold to the post offices of the United States, or fifteen million more than for the same period of 1875.

POSITIVE RESULTS.—There are numerous remedies that cure numerous and become trusted as useful, but none have ever proved so effectual—cured so many and such remarkable cases—as Dr. Ayer's medicine.

The Cherry Plaster has restored great numbers of patients who were believed to be hopelessly afflicted with consumption. It cures Cough, Croup, Whooping Cough, and all other ailments of the throat and chest.

Ayer's Compound Extract of Sassafras eradicates scurvy and impurities of the blood, cleanses the system and restores it to vigorous health. By its timely use many troublesome disorders that cause a decline of health are expelled from the system.

Ayer's Pills and their effects are too well known everywhere to require any commendation from us here.—*Scranton (Pa.) Times.*

Dr. Wilson's Pulmonary Cherry Balsam has been placed by the common consent of mankind, at the head of all remedies for disorders of the Throat and Lungs, so prevalent in this ever-changing climate. It has saved thousands from falling a sacrifice to neglect, and cough and into an early grave, a fact attested to by myriads who have used it. It never fails to relieve the sufferer from a distressing cough, and in all cases to effect a complete cure. Persons who have only taken a slight cold, and who are unable to procure their natural rest from a hacking cough, will, by using this Balsam, enjoy a refreshing sleep through the means of this invaluable and life-sustaining preparation.

Dr. Wilson's Anti-Bilious and Preserving Pills are celebrated as a safe and speedy remedy for diseases of the Kidneys, Bladder, &c., &c. By their salutary action on Bile and Acidity of the Stomach, they promote and purify the secretions of the Kidneys, and establish the healthy action of those parts.

In the spring of the year, Catarrh of the Bladder is very prevalent. In order to cure it quickly, but the throat will with Dr. Dow's Sturgeon Oil Liniment. It will cause a free discharge at the nostrils, and by its use the animal will rapidly recover. It should be kept by every owner of a horse, as it embraces every attribute required in a Liniment, and is the best known eradicator of all painful swellings.

Horses are as liable to indigestion as a man; and like a man, if he is overworked needs care and medicine. How many times we see a horse overworked and driven to the point of exhaustion, and then we find him lying down by the roadside, and with head drooping down he drags his weary limbs along. The functions of his body are in a state of disorganization. What shall we do? Give Clark's Dory Condition Powders, the universally approved remedy. He will soon disappear before a course of those admirable Powders.

Poverty is bad, but the worst kind of poverty is poverty of the blood; that is, a deficiency of red blood cells, which is the strength, courage and energy; for it enriches the blood with its vital cells, iron, by taking the Peruvian Syrup (a protoxide of iron), and you will feel rich and "as good as anybody." Try it.

No stronger warranty can be given for the merits of a cough medicine than we offer.—We say to all who give us Allen's Lung Balsam, that unless it gives them satisfaction they may return the bottle to us after they have used it 48 hours, and the money will be cheerfully refunded. This same warranty has been offered from the day we first brought this Balsam into the market, and the first bottle has not been returned, and we have received nothing but praise in its favor from those who have used it.

David Chalmers, of Kuchibongrang, tells us that he has found SPENCER'S VESUVIAN LINIMENT invaluable for cracked and chapped hands. Fishermen and others who are much exposed to the weather, cannot do without it.

To CONSUMPTIVES.—The advertiser, a retired physician, having providentially discovered, while Medical Missionary in South Africa, a very simple vegetable remedy for the speedy and permanent cure of Consumption, Asthma, Bronchitis, Catarrh, and all throat and lung affections, also a positive and radical specific for Nervous Debility, Premature Decay, and all Nervous Complaints, feels it his duty to make it known to his suffering fellow-men. (Free of charge) to all who cheerfully send (free of charge) to all who desire it, the recipe for preparing, and full directions for successfully using, this providentially discovered remedy. Those who wish to avail themselves of the benefits of this discovery without cost, can do so by return mail, by addressing, with stamp, Dr. CHARLES E. MANNING, 35 Niagara Street, Buffalo, N.Y.—3m-3p-5

Lindfield's Constitutional Catarrh Remedy is the only certain, safe and effectual cure for Catarrh, builds up the system and cures all other diseases at the same time. Asthma, Cough, Hay Fever, Bronchitis, Leucorrhoea, Discharge of the Kidneys, Nervous Debility, all leave together when the Constitutional Catarrh Remedy is used. For sale by all Druggists and Medicine Dealers.

WASHINGTON, Feb. 28.—The report of the Electoral Commission, 8 to 7, counting South Carolina for Hayes, probably closes the issue, the remaining States being undisputed. Preparations for the inauguration of President Hayes are being made. Gold is steady at 104 7/8.
