County, to the condition of the road from the main highway at Woodstock to the bridge crossing the St. John River. The filling in of the wharf or approach has gullied out, making holes large enough to bury a pair of horses; a stream of water courses the centre of the road, and it is dangerous for either foot passengers or vehicles even in the day time. The planking of the bridge is also broken in many places, and with the train broken in many places, and with the train the following and knavery with make of hypocrisy and knavery with which you continually cover your face, and which the session will find business and off the wardrobe and personal dormment. To those in moderate circum-stances opportunity is given for a display of the same refinement of taste, though it may be in humbler objects. To all who seek to be i follow a delay in attending to this matter.

May 10th, 1877.

I will say by the way of courtesy, Thanks, Gentlemen.

Bath, May 8th, 1877.
