INDISPUTABLE FACTS All persons would undoubtedly prefer to be well, then keep the stomach properly invigorated, as it is the responsible organ of the system. If the digestion is imperfect, every member, every gland, every muscle every nerve or fibre, is more or less out of order.

The brain is clouded, the spirits are depressed. All dyspeptics know this to be the truth. It is, however, not half the truth. Columns would be required to enumerate the pain and penalties of dyspepsia, nor could any pen do them justice. Tens of thousands feel them; no man can describe them. Can they them; no man can describe them. Can they be prevented? Can they be relieved? Can they be benished at once and forever? unquestionably they can.
