THE oldest, largest and most perfect Manufactory of Organs in the United States. No other musical instrument ever obtained the same popularity. Have been tested for OVER 30 YEARS in Europe, Asia, Africa, Australia, and North and South America. Testimonials in proof of this statement can be found in our Catalogue, which will be mailed FREE to any address. Our success has brought into existence hundreds of imitators (mostly Stock Companies), whose want of experience is evident to those who are capable of judgment. SEE AND HEAR OUR ORGANS BEFORE PURCHASING ANY OTHER, and you will thus avoid the annoyance of being misled with an instrument which you will find (when too late) is a source of vexation and regret. All our instruments are WARRANTED for five years. GEO. A. PRINCE & CO., Buffalo, N. Y. TO THE PUBLIC! KNOWING the vastly superior qualities of Messrs. Geo. A. Prince & Co.'s Organs, through my own observation and comparison with others, as well as the corroborative testimony of those with whom I am acquainted, I most cheerfully recommend them to the public. As a Musical Instrument they are all that can be desired; and as an article of furniture, most beautiful in design and finish. Sold cheap, for cash or approved paper. Messrs. Geo. A. Prince & Co.'s warranty for five years given to every person who buys any communication addressed to me, P. O. Box 169, Woodstock, will receive prompt attention. G. HOLLAND SNOW.
