After a week she was still in such shape that three stoppages for cooling had to be made in one hour. Then it was discovered that her bowsprit was out of place, so that for ramming purposes she would be useless; also that she was so overmasted and that such mistakes had been made in calculating her displacement that she drew twenty-three inches mere than had been expected and allowed for. At the same she was put into better shape in a fortnight he would order her home as useless. It is pleasant and reassuring after all thus to learn ious that Admiral Rice declared that unless she was put into better shape in a fortnight he would order her home as useless. We are very thankful to our friends and customers for their past purchases, and trust in the future as in the past, to satisfy every one buying from us.

CATARIS snuffs, washes, or local applications. It is a weakness of the constitution, developing itself in the nasal organs first, atterwards extending to the throat and lungs, ending generally in Consumption, if not checked by proper remedies. Pains in the head, back, loins, and weakness in the kidneys, are its attendant diseases. More people have Catarrh than any other disease, children as well as adults. It is easily cured. Thousands of cases, some of Forty years' standing, have been entirely cured by using the Great Constitutional Catarrh Remedy. Price, \$1 per bottle. For sale by all Druggists and Medicine Dealers. Send stamp for Treatise on Catarrh, and certificates to back the above, to T. J. B. HARDING, Brockville, Ont., 1y-40 Agent for the Dominion and Provinces.
