PRESIDENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Customs, and under the provisions of the 9th section of the Act passed in the Session of the Parliament of Canada, held in the 40th year of Her Majesty's reign, chapter 11, and entitled "An Act to amend certain Acts respecting duties of Customs and Excise," His Excellency by and with the advice of the Queen's Privy Council for Canada, has been pleased to order, and it is hereby ordered, that the following Regulations governing the allowance of drawback of duty paid on Drawn Tubes and Piping of brass, copper or iron, when actually used in the manufacture of boilers, under the authority of section 40 of the said Act, be and the same are hereby sanctioned and adopted.

W. A. HIMS WORTH,
Clerk Privy Council.

Regulations governing the drawback of duty paid on drawn tubes and piping of brass, copper or iron, in case the same shall have been actually used in the manufacture of boilers, under authority of 40 Viet. cap. 11, sec. 5.

The importer claiming drawback under the above quoted Act, shall, in order to entitle himself thereto, deliver to the Collector of Customs at the Port where entry was made and duty paid on such drawn tubes or piping, a declaration in the form No. 1 following: which said declaration shall be subscribed to under oath.

In case the importer is not at the same time the manufacturer of the boilers and cannot therefore from personal knowledge affirm as to the actual use made of such drawn tubes or piping, he shall in place of the form No. 1, make use of the form No. 2, and the manufacturer of the boilers in the construction of which such duty paid drawn tubes or piping was actually made use of, shall attach to said declaration, a declaration in the form No. 3 hereto appended.

The Collector of Customs at the Port where such entry was made shall thereupon examine the entry and the invoice of such drawn tubes or piping, and shall certify in the form No. 4 whether the declaration so produced covers the whole or part of such entered drawn tubes or piping, and whether it corresponds with the value as per invoice and with the amount of duty paid as per said entry.

TAKE great pleasure in informing their customers and the public generally, that their

Swedish Kid Gloves,

so long looked for, have at last arrived. The stock embraces

Ladies' and Gents' GLOVES

of every shade and size, in one and two buttons.

These Gloves having been manufactured expressly for them, and being imported direct from the manufacturer, are of the best quality, and at a lower price than any other gloves of equal quality have been sold for heretofore.

They would also call particular attention to a peculiarity of sewing these Gloves have, which no other Glove possesses, thus preventing any possibility of ripping.
