J. A. BROWNE & CO.,

51 Main Street, - - HOULTON, Maine, May 24, 1877-3i-21

A Liniman and Beast.

"Whether for use on man or beast, Merchant's Gargling Oil will be found an invaluable Liniment, and worthy of use by every resident in the land. We know of no proprietary medicine or article now used in the United States which shares the good will of the people to a greater degree than this. Yellow wrapper for animal and white for human flesh."—N. Y. Independent. Extract from a liter from G. H. Simmonds, Unionville, Ia., July 24, 1873.—"I am selling more Gargling Gil than all the liniments put together, and I am keeping twelve different kinds. I think it is the best remedy for horsefiesh in existence, and can say it without fear of Extract from a tabler from Shoemaker & Co., Bloomington, Ind., Sept, 17th, 1873.—"It is the popular here is smart in this country."

Extract from a latter from Geo. A. Snell, Braman's Councie, N. Y., Aug. 9th, 1873.—"I sell, more of your tent; or Gil than of all other liniments combined, and have seen it used on horses and cattle with good effect when others have facked."

Extract from a latter from Pattee & Co., Derry, N. H., Aug. 26th, 1873.—"We think your Gargling Oil one of the best articles for what it is recommended that we have ever used or sold." Extract from a tatter from Shoemaker & Co., Bioomington, Ind., Sept, 17th, 1873. - "It Extract from a letter from Snowdon & Gibbs, Concordia, Kan., July 28th, 1873.—" We see nore of your Gargling Oil than of any liniment we keep."

Merchant's Gargling Oil as a Family Liniment. We are now, and have been for some years, preparing the Oil free from stain, to be used as a common liminent for human flesh, extracting the coloring ingredient which has heretofore rendered it objectionable. This Oil possesses all the medicinal properties of that prepared with the dark tings for horses and cattle, and will be found one of the best remedies for all purposes where a limiment is required that has ever been manufactured.

From J. K. Fisher, Uniontown, Pa., Jan. 31, 1857.—"Your Gargling Oil is doing much better here than formerly, since its virtues have become known; and the bottles put up for family use, without stain, are much sought for."

The Gargling Oil called "Family Oil," although prepared intentionally for human flesh, answers as well for human flesh, only it will stain and discolor the skin, but not permanently. Yellow wrapper for animal and white for human flesh.

Merchant's Gargling Oil as an Internal Remedy.

Merchant's Gargling Oil is a diffusible stimulant and carminative. It can be taken internally when such a remedy is indicated, and is a good substitute for pain killers, cordials and anodynes. For Cramps or Spasms of the Stomach, Colic, Asthma, or Internal Pain, the dose may be from file a to twenty drops, on sugar, or mixed with syrup in any convenient form and repeated at interval sef three to six hours. Yellow wrapper for animal and white for MERCHANT'S GARGLING OIL is the Standard Liniment of the United States. Established 1833. Large size, \$1; medium, 50c.; small, 25c.; small size for family use, 25c. Manufactured at Lockport, N. Y., by M. G. O. Co., and sold by all druggists. JOHN HODGE, Secretary.
