Mr. Bowell contended that the admission of the Premier was equal to the admission

fect condemning the Government for in- box. creasing the expenditure of the country, for raising taxation upon tea, and for not making such a readjustment of the tariff as to afford protection to the depressed agricultural and manufacturing interests of Canada In a short but pithy speech he criticised the general policy of the Government and charged them with prodigality in the expenditure of the public money; blamed them for raising taxation on tea, an article of everyday man, while they reduced the tax on coal-oil, and ingeniously contended, at the same time declaring his adhesion in the abstract to his former free trade principles, the manufacture and the most robust and most robust and manufacture and the most robust and manufacture and the most robust and active are wasting away their lives in the deep snows of the Balkan gorges, or among the dreary flats of the swampy Dobrudscha?

London, March 7.—The English press is nearly unanimous in disapproval of Ignatief's mission, use and the special beverage of the pool former free trade principles, the manufac-turers, farmers and working men would be

turers, farmers and working men would be raised from their present poor condition if what he called a judicious re-arrangement of the tariff had been granted by the Government, so as to give us protection to native industries.

Hon. Mr. Mackenzie replied in a happy and clever energy of the manufacturers, farmers and working men would be raised from their present poor condition if what he called a judicious re-arrangement of the tariff had been granted by the Government, so as to give us protection to native industries.

W. D. B. Cain, Sussex, N. B., writes Jan.

25, 1876:—"Great relief has been derived from your Vesuvian Liniment, by those in this neighborhood who have used it for Rheumatism, etc. We keep a supply on hand, and find it a useful medical friend.—2i-10

Turkish minister authoritatively contradicts the rumors regarding the health and private life of the rumors regarding the health and private life of the rumors regarding the health and private life of the rumors regarding the health and private life of the rumors regarding the health and private life of the rumors regarding the health and private life of the rumors regarding the health and private life of the rumors regarding the health and private life of the rumors regarding the health and private life. and clever speech, expressing his pleasure that Sir John adhered even in the abstract son of the year to those constitutionally in-

money to Sir John's testimonial, winding up relied on as safe, sure and certain. Dr his remarks by saying that it was a crime, and that as a criminal he addressed the member for West Toronto. Dr. Tupper followed, and characterized large bottles much the cheaper.
Sir John as a stainless patriot, and Blake as

a foul-mouthed slanderer. Debate continued very late, becoming so outrageous at one time, that the Speaker

threatened to adjourn. Sir John said Laird was a liar, and Tupper called Blake a foul-mouthed slanderer.

HISTORY OF A PICTURE. with marvelous fidelity. There existed between these artists the most intense dislike. At length this dislike culminated. The beauty-loving artist had been engaged in painting the portrait of a beautiful woman. Connoisseurs pronounced it the most wonderful piece of art that had ever been produced. His brother artist was jealous of his fame and sought revenge. By bribing the keeper of the studio he gained access to the picture each night. At first he was content to only deaden the brilliancy of the complex. tween these artists the most intense dislike. to only deaden the brilliancy of the complexion and eyes, effice the blooom from cheek one morning the artist awoke to find the en tire outline of the portrait changed. He could scarcely recognize in the emaciate form and haggard countenance the glowing conception he had embodied. The pallid fac and expressionless eyes he had attributed to a lack of genuineness in his materials; bu when the outlines were changed he suspecte the cause and indignantly dismissed the keeper. What the revengeful artist marred by a few rapid strokes of his skillful brus was only restored by years of patient indus Reader, need we name the artists,-Health, who paints the flowers and " grass carpet' no less than the human form divine Disease, the dreaded artist, who revelop among the ruins both of nature and humani y,-and Carelessness, the keeper, to whom Health often intrusts his portraits. And it not the beauty of woman, the most admir ed of all the works which adorn the studio o Health, that Disease oftenest seeks to mar ?-The slightest stroke of his brush upon th
