Interment on the 8th inst., at 10 o'clock, at the residence of the late James Lunn, formerly of Sheffield, Yorkshire, aged 52 years and 8 months, leaving a sorrowing husband and eight children to mourn the loss of a devoted wife and mother. Deceased was a member of the Methodist Church. "Blessed are the dead that die in the Lord."

This lovely child, so young and fair,
Called hence by early doom
Just came to show how sweet a flower
In Paradise could bloom.

At the same place, on the 20th ult. of scarlet fever, George S., aged 1 year and 11 months, youngest child of Thomas L. and Hester Lunn. At Williamstown, on the 11th inst., Charles, aged 32 years, second son of James and Susan Bradley. The deceased was followed to the grave by a large concourse of lamenting relatives and friends.

At Williamstown, on the 4th inst., Maggie, wife of Alexander Bell, aged 30 years, leaving a husband, one child and a large circle of friends to mourn their loss.

Rest dear Maggie! rest, thy labor now is o'er
Thy weary cares of life shall come to thee
Thy words of comfort and of hope we never
shall hear
For thou art sweetly sleeping now till Jesus
shall appear
Sleep dear Maggie! sleep, death shall not
hold thee long
And in the morning thou shalt rise and join the
blood-washed throng.

As advertised, the
Ithaca Horse Rake
will be ready for sale on 1st July, and we beg to call your attention to the fact that we have made improvements in the Rake as follows: viz.: Instead of a cast iron axle, we have used the end of the axle-bed with only two bolts and which is so easily broken, we have a wrought iron axle properly secured by an iron plate. Also, an improvement in the hub of the wheel, which will save the purchaser time and money in case he breaks a spoke, which can be replaced in five minutes without disturbing the rest of the spokes, and we give extra copies, painted and sealed, without extra charge with the Rake; this will be found a great convenience, as any Rake is subject to accident. We warrant the Rake, extra parts will be ready on demand if anything should give out by fair play, free of charge for the season. Instead of using all common castings, we have sent to the United States for malleable castings for all the principal parts, and the teeth are from the best maker in the U.S. Ithaca Rake. Although these Rakes have cost extra on the above account, we will sell low, for cash; or if you are not so flush, give us a good note, or perhaps we can make a trade. We will sell a Mowing Machine and a Horse Rake for \$80.00.
